Accidents This Week On Yancey Highways

Route 3, Burnsville was taken to Yancey Hospital, then transferred to Memorial Mission in Asheville due to injuries she received in a one-car accident this week.

Saturday, November 1, at 3:15 p.m. Miss Ray was operating a 1970 Pontiac owned by Billie Marie Ray. The vehicle was traveling east on US 19 and came around a sharp curve approaching a one-lane bridge. The vehicle apparently skidded 57 feet prior to impact with the end of the concrete rail of the bridge. Trooper L.D. Brown investi-

Tigers Win Championship

Football Championship Saturday night with a 48-13 victory over the Weaverville Rams at North Buncombe.

Although the Tigers and the Bears finished with identical 7-1 records, the Tigers defeated the Bears in the first game of the season 35-7. The only blemish on Burnsville's record was a 24-0 loss to Mars Hill in the second game of the season. The conference was especially well-balanced this year with four teams posting winning

Sheriff Leads Chase After Robbery Here

An alarm sounded at the Yancey County Sheriff's Department from True Value Hardware on Thursday, October 30 at 12:40 a.m. Three sheriff's cars responded to the call and arrived at the store just two minutes from the time the alarm sounded, just as a truck was leaving the premises.

Two cars, driven by R.B. Edwards and Larry Riddle, gave pursuit down 19 where the truck headed, turning at Prices Creek Road. Sheriff Kermit Banks joined pursuit at this point and the three cars continued pursuit of the truck down Horton's Creek Road. The driver of the truck did not respond to lights or sirens and the Sheriff was forced to try to drive past the vehicle in order to cut it off. When he attempted this, however, the truck rammed into the right side of the pursuit car and forced it back to the rear.

Cars driven by Sheriff Banks and his deputies then drew abreast of the truck once again, this time forcing it off the road where it turned over into Horton's creek.

Howard Effler, age 18, from Asheville, was arrested at the scene of the accident. still wearing a mask and gloves. Having sustained a back injury, he was removed to Memorial Mission Hospital. His two accomplices escaped on foot and were section of Madison County by bloodhounds. They were apprehended by Madison Sheriff E.Y. Ponder and Deputy Leo Sellers and returned to custody of the Yancey Sheriff's Department.

The men were found to be Junior Lynn Hipps, age 22, of Swannanoa, and Starlin E. Gosnell, age 28, also of Swannanoa.

All three men were charged with Breaking & Entering and Larceny. Hipps posted a \$3000 bond, Gosnell remains in custody in the Yancey County Jail, and Effler is reported in satisfactory condition under guard in the hospital.

According to Sheriff Banks the three entered True Value by breaking the glass at the front of the store. They removed 24 guns, including rifles, pistols and shotguns; a safe containing over \$100 in cash; fishing equipment and other supplies amounting to the sum of approximately \$4000. All stolen goods were recovered from Horton's Creek, having been thrown out of the truck when it overturned.

The men will be facing charges in Buncombe County for the theft of the truck

This was the second forced entry at True Value in a little over a month, according to Sheriff Banks, but the alarm system malfunctioned the first time and the perpetrators were not apprehended.

The N.C. Highway Patrol nd SBI officers aided the Yancey County Sheriff's Department in investigation of the accident.

Children Make Mr. Scarecrow

The Kindergarten children at South Toe and Clearmont Elementary Schools came up with the same idea of making a Mr. Scarecrow for Halloween. The children and teachers in each of the schools brought hay, pants, shirts and hat to make the Halloween scenes. All children in the Kindergarten classes helped to stuff and complete the Mr. Scarecrows. The children at South Toe also made Jack-O-Lanterns from paper bags. Halloween cutouts were done by the children in each group. The teachers and aides, Mrs. Lucy Wilson and Ona Hopson at Clearmont School; Mrs. Barbara Holcombe and Edith Laws at South Toe used these Halloween ideas to bring in related activities in reading, music, oral language and positive reinforcement in the classrooms.
