Family Builds Dairy Enterprise

Mr. and Mrs. Dewey Robinson, formerly of Burnsville, N.C. bought a farm in the Meadow Creek Community of Greenville, Tennessee a little over a year ago through the Farmers Home Administration. With the assistance of the fieldman from the Pet Milk Company and the FHA, a farm plan was made. They planned their entire feed program, then built their milk room with a separate milk parlor and added a 300-gallon bulk milk tank with a pipeline. They now have 25 cows and are following a sound breeding program. With all the conveniences of modern dairying, two of Robinson's sons, Kenneth and Chris, have become interested, not only in the milking operations, but have purchased purebred heifers to show this year in the various dairy shows across the state. Robinson says "I enjoy dairying and watching my operation grow."
