handbells to play many

beautiful musical composi-

An appropriate program had been prepared for the occasion. Serving as commentators were Mrs. E.L. Briggs and Mrs. P.C. Coletta. They furnished the introduction, and took the audience down Memory Lane as they reminisced concerning the events, scenes, customs, and traditions of the town of Burnsville of 50 years ago.

Mrs. Coletta conducted a memorial service to honor and pay tribute to the deceased club presidents who had served during the 50-year span. Mrs. Briggs recognized and honored all living club presidents. She also gave a brief history of the founding of the Burnsville Woman's Club, written by Mrs. Fred Proffitt, stressing the fact that the club was the founder of the present Yancey County library, as well as being a contributing force to all aspects of the community life of Burnsville.

Mrs. Briggs presented a scroll of honor and tribute from the General Federation of Woman's Clubs to Mrs. W.A.Y. Sargent, president, to be placed in the library for posterity.

Interested In Improving Your Figure?

There will be a six week exercise and diet course offered at the Spruce Pine Moose Lodge, 81/2 miles outside Burnsville on the Spruce Pine Highway, beginning August 24 and August 31. The classes are instructed by Margaret S. Peterson, a former manager of Worldwide Health Studios in Winston Salem. The classes are designed to spot reduce, lose lbs. and inches, and to re-shape the body according to each individual's desires and capacities. Members enrolled in Mrs. Peterson's course last spring and summer lost up to 25 lbs. and many more inches in just 6 weeks. The classes will meet 3 times a week, morning or night classes-one six week session begins August 24 and another full session begins August 31. Call Margaret today at 765-9719, 8 a.m.-8 p.m., and make an appointment for your personal figure analysis and diet plan as you enroll for the class.
