

# Mountain Heritage Student News

On Sunday afternoon at two o'clock seniors from Mountain Heritage High School assembled on the town square and went on a picnic to Black Mountain Campground. The picnic was organized by Ina Quinn and Mrs. June Pittman, and its goal was to help the students, now seniors, from East Yancey and Cane River become better acquainted.

The picnic, though rather poorly attended, was considered a success, with plenty of food and fun. The students played football and volleyball and had a wonderful time.

In celebration of a birthday of one Teresa Gouge, Teresa was thrown in the river—all in fun, of course.

About 5:30 p.m. the exhausted seniors came back to Burnsville where they played football until dark.

### PICTURES TO BE TAKEN

On Wednesday and Thursday, September 29 and 30, the photographer will be at Mountain Heritage to take pictures. He will be taking pictures of all students and faculty, the football teams, the senior superlatives, the cheerleaders, and of members of the clubs that have been formed.

### DRIVERS ED MEETING

On Thursday, September 16, students participating in the Drivers Education Program had an all day meeting in the school auditorium.

Mr. Harris from Asheville, and Mr. Ron Champion from the Blue Ridge Mental Health Center, talked to the students about driving under the influence of alcoholic beverages. They also showed films and asked questions for the drivers education students to answer.

### NO DOORS?

This reporter has caught you in the act! I saw you staring into the room across the hall at that special person in your life. When that class over there laughs or crawls around making animal noises, you put your nose right in it! Why don't you shut the door and study? What? No doors?

### LUNCHROOM STAFF

The Mountain Heritage lunchroom staff consists of the manager, Hazel Swann, and eight workers. Hazel Howell and Eloise Whitson both transferred from Cane River. Maphra Briggs transferred from Burnsville and Helen Murphy from Mica-ville. Linda Gillespie, Carolyn Penland, Lita Miller, and Wilma Woody are new. All of the lunchroom staff say they are proud of the new lunchroom and the equipment. They are trying to give the students and faculty what they like to eat and hope to continue making progress in their work.

### CAREERS DAY HELD

On Thursday, September 16, Careers Day was held at Mountain Heritage. People from different colleges, technical institutes, the Army, Navy, Air Force, and the

Marines came to talk to and help the juniors and seniors decide about what kind of career they are interested in after they get out of high school. It was held in the balcony of the gym from 1 to 3 o'clock.

### SENIOR MEETING

The Senior class at Mountain Heritage held its first meeting on Friday, Septem-

## Heritage High Sports

Mountain Heritage sports news is reported as follows:

### JUNIOR VARSITY LOSES

The Mountain Heritage JV football team was defeated by Sylva Webster by the score of 54-12, Thursday night, September 16. This game was the J.V.'s first of the year.

Mr. Blaine Whitson and Mr. Johnny Westall are the coaches for the team. The two coaches have a fighting team.

The offense was helped by Mike Letterman and Billy Joe Shade making the two touchdowns. The defense was helped by Eddie Carroll, Greg Fender and Jackie Buchanan.

### COUGARS DEFEATED

On Friday, September 17, Mountain Heritage Cougars traveled to North Buncombe to take on the Black Hawks. Even though the Cougars were outsized, they gave the Hawks a good fight. Cougars split end, Ricky Tipton, received an injury to his right arm in the third quarter and was out the remainder of the game. The score was tied 14 to 14 until the last three minutes when the Hawks recovered a fumble on the 16 yard line and went on to make a touchdown. The final score was 20-14 in favor of the Black Hawks.

### COUGAR PLAYER OF THE WEEK

Ray Troxell has been chosen Player of the Week by the Mountain Heritage newspaper staff. Troxell demonstrated superior playing ability in the tough defeat to the Black Hawks of North Buncombe last Friday night. Troxell displayed talent with his running from the fullback position, a position which he had never played before in a game. He showed exceptional agility and power in his running attempts. He gained a total of 53 yards on only 11 rushes. His blocking also opened up many holes for his teammates. Troxell was instrumental in setting up the first Cougar touchdown.

### Changes

French Broad EMC continues to seek new ways of being of service to the membership in these days when electric costs are high and will continue to be higher and encourages the membership's cooperation in these changes.

### Aid Service

French Broad EMC states that the penalty charge was originally initiated to encourage members to pay their bills early and to keep them from becoming lax with their payments. Since the majority of the members do pay on time, and with the beginning of monthly billing, it was felt the penalty could be discontinued and a stricter collection policy enforced.

ber 10, during first period. In the meeting a ballot was given to choose senior superlatives.

After that the seniors voted in the new class officers. They were Jeff Harding, president; Donald Angel, vice president; Pam Hopson, secretary; Stephanie Angel, treasurer; Tammy Gilley, reporter.

The next item of business was to vote on which way to

have senior pictures taken. One way was the plain background with drapes. The other was the natural background. The majority voted for the natural background.

The last thing discussed was the senior trip. The decision was made to go on a trip, but where it will be is yet to be decided.

The senior sponsors are H. Bennett, E. Boone, K. Zuver.

B.R. Bailey, I. Higgins, H. Cox, L. Campbell.

### OVERFLOW OF CLASSES

This year Mountain Heritage had an overflow of English classes. To solve this problem, Mr. Bill Perkins has been added to the faculty.

Mr. Perkins will be teaching a half day to take care of the overflow of students. He will be teaching a freshman, sophomore, and combined junior-senior english class.

### THE LAB BAND

The Mountain Heritage band teacher, Mrs. Mauney has organized a lab band out of fifteen students. This band plays popular type music and they meet on Thursday nights. The lab band has many different instruments, including a piano. This band will be available later on for any community activity.

Ray Troxell

fense of the Cougars worked excellently with Troxell backing up the defensive line at his linebacker position. He stalled a Black Hawk scoring drive by intercepting a pass on the Cougar one yard line. Troxell made many unassisted tackles and was in on many of the gang tackles made by the Cougar defense.

Ray Troxell is but one of the many fine Cougar football players who each week in practice and in games demonstrate the dedication and desire to have a winning football team at Mountain Heritage. So let's all come out and support our team as they play the Sylva-Webster Golden Eagles at the East Yancey field this Friday night.

### Cane River Rebels

### Defeat Marshall

This week's Outstanding Player was Harley Paul Norton. Harley was tough from his fullback position, gaining good yardage each time he was called upon to carry the ball. He was even tougher on defense where he led a real good goal line stand for the Rebels in the last minute of play with Marshall on the four yard line, first and goal with a 1.26 and score

### minute, when the proud Rebel team made a tremendous goal line stand and won the game 16-8.

Cane River got on the score board first on a beautifully executed play in which Bill Shade (last week's player of the week) took a pitch from Joe Gillespie and raced 59 yards for the score, then Bill converted the extra point to make the score 8 to 0. The Rebels picked up their second score in the 2nd quarter on a Bill Shade run and Roger Banks two point conversion to make the score 16-0. However Marshall came back to score on a 60 yard pass play to make the score 16-8 at half time and that was all the scoring in the game.

Several players look good for the Rebels. Kenny Randolph at defensive tackle, David McGee at linebacker, Harley Paul Norton as linebacker, Bill Shade at halfback and Roger Banks at halfback, Brennen Hardy at defensive halfback. The student body at Cane River is very pleased and proud of our team and wish them great success this week when they travel to North Buncombe to play Red Oak.

### CHEERS

Yes! Last Saturday night the Rebel team had victory and it was helped by the fans and cheerleaders screaming encouragement. Cheerleaders are Tammy Silver, Angie Anglin, Leanne McCurry, Shelly Deyton, Holly Sides, Alecia Lee, Julia Canipe, Cindy Whitson. What a victory it was for the Rebels!

### CANE RIVER FOOTBALL

This weeks football game with Marshall was a very exciting one. The game was not decided until the very last

16-8 left in the ballgame. Harley led a goal line stand in which Marshall couldn't move the ball a yard in four attempts, and the Rebels then took control of the ball and the game with 27 seconds left.

## League Football

Both of Yancey County's Little League teams squeaked by with narrow victories

### Invitation Extended

David Wilkerson, founder of Teen Challenge will be ministering at the Asheville Civic Center, March 29 and 30, 1977.

Initial plans are now being made. We would like to invite pastors and interested lay people to attend a Dutch Luncheon with Bob Rogers, Associate Crusade Director, at the Biltmore Room, S & W Cafeteria, noon, Thursday, September 23, at the Asheville Mall. At that time he will present the whole program of the Crusade and answer any questions.

Please put this meeting on your calendar and plan to participate with us in this evangelistic effort for Western North Carolina.

Saturday night, East Yancey kept its record unblemished and a tie for first place by defeating the tough and previously unbeaten Rams 12 to 6. Cane River moved into a tie for second place by edging Marshall 16 to 8.

In other games Mars Hill beat the Blue Devils 32 to 0 and the Mountaineers defeated the Raiders.

Next weeks games have East Yancey traveling to

North Buncombe to play the Bears and Cane River playing host to Fiat Creek.

Standings through September 18 are:

Team	W	L	T
East Yancey	3	0	0
Mars Hill	3	0	0
Cane River	2	1	0
Rams	2	1	0
Blue Devils	1	1	0
Mountaineers	1	2	0
Bears	0	2	0
Marshall	0	2	0
Raiders	0	3	0
