Mildred Gets 5-Year Pin

Mildred the Bear's 450 pounds and Leigh Ann Medford's 45 pounds give them a weight difference ratio of 10 to 1, but they are alike by the fact that they are both Girl Scouts and obviously good friends. On Girl Scout Day at Grandfather Mountain Leigh Ann wisely decided to present Mildred's 5-year pin in a frame rather than pin it on. Mildred helped raise more than \$2,000 this week for the Girl Scouts in 17 North Carolina counties in the Pisgah Council of which Yancey County is a part. Leigh Ann is the 7-year old daughter of Mr. and Mrs. Ronald Medford of Linville Falls and Mildred is Grandfather Mountain's mascot and best known citizen.

A feature of the 1976 Commencement Exercises at Mayland Technical Institute was the presentation of awards to outstanding students in each program. Presenting the awards for the Vocational Department was Fred Stout, Departmental Chairman. Barry Weaver, instructor in the Business

Department presented the awards for the Technical programs.

Students receiving awards were John McGuire, Auto Mechanics; Earl Peterson, Diesel Mechanics; Judy Buchanan, Cosmetology; Ronnie Huskins, Electrical-Electronics; Roy Carpenter, Light Construction; Robin Sims,

Nursing Education.

Jim Phillips, Accounting; Gary Guinn, Business Administration; Janice Woody, Secretarial; and Debra McKinney, Early Childhood Specialist. Jim Phillips also received an award for his leadership as president of the Student Government Association.

Diplomas and degrees were presented to 112 students. Graduates of the Adult High School and High School Equivalency programs were also recognized.

Dr. Edgar J. Boone, who delivered the address at the Mayland Technical Institute Commencement Exercises on Thursday, September 16, chose to present the amount of the honorarium offered him to the scholarship fund of Mayland Technical Institute.

Dr. Boone's gift was most appropriate and was gratefully accepted. Mayland Tech uses the majority of its scholarship funds as matching funds for various other financial aid programs such as Work-Study. This means that Dr. Boone's gift of \$200 will make possible the awarding of approximately \$1000 in aid to Mayland Tech students.

Mayland Tech welcomes any contributions, large or small, to the scholarship fund and pledges to use these to the greatest advantage of students needing financial aid. Anyone wishing to make a contribution should contact Dr. O.M. Blake, Jr., President, or Ronald McKinney, Director of Financial Aid.
