

## Horticulture Scholarships Encourage Studies

A \$500.00 college scholarship and a \$250.00 scholarship to an area technical institute or the two-year agricultural institute at N.C. State University have been announced by Harry Silver of Asheville, chairman of the horticultural crops commission of the Western North Carolina Development Association.

The group has awarded college scholarships for a number of years to encourage youth of the area to enter the professional field of horticulture. This is only the second year a scholarship has been provided to a student entering a technical institute or community college in the 18 western counties with an approved horticultural curriculum or the two-year program at N.C. State.

Recipient of the college scholarship will be an entering freshman and must pursue the four-year course leading to a degree in horticulture in a college or university with an approved curriculum.

Donors of the \$500 college scholarship are Asheville Floral Company and Maier's Greenhouses, both of Asheville and other WNC nursery and greenhouse operators. Van Wingerden, Inc. of Mills River is sponsor of the \$250.00 scholarship for the two-year program.

Information and applications are available from high school guidance counselors, vocational agriculture teachers and 4-H Club agents. Deadline for applying is May 1, 1977.

The scholarships will be awarded on the basis of need, interest, scholastic record, leadership and citizenship. Winners will be announced by May 15.

High school graduates of the 18 counties which compose the WNC Development Association area are eligible. These are Avery, Buncombe, Burke, Cherokee, Clay, Graham, Haywood, Henderson, Jackson, Macon, McDowell, Madison, Mitchell, Polk, Rutherford, Swain, Transylvania and Yancey.

## Courses Scheduled By Mayland Tech

The Continuing Education Department of Mayland Tech is sponsoring a special course in Gourmet Trout Cooking. The course, which will feature local residents Delores and Chris Troxell as instructors, will include "hands-on" sessions in preparing trout for human consumption.

The Troxells are well known for their trout farm located near Burnsville, are considered professionals in trout growing and its preparation for catering to both large and small groups. Their specialties include canned and pickled trout; however, they are particularly well known in these parts for a hickory smoke techniques, the aroma of which makes one's mouth water.

The class will include five sessions of three hours each at East Yancey Middle School Preregistration will be held at EYMS on Monday, April 11, from 6:30 to 7:30 p.m.

For further information contact Wayne Phillips at MTI's Yancey County Learning Center 682-7315.

### Charlie Lands A Big One

Charlie Carroway, age 12, of Micaville is pictured here with his 18" native brown trout caught in Cane River on April 3, 1977. Charlie says he caught it with spinning equipment and live bait. After struggling with this "big one" for nearly 10 minutes, he says he finally got it on the rocks. Charlie is the son of Mr. and Mrs. Royce Carroway and the grandson of Mr. and Mrs. Claude Peterson of Burnsville and Mrs. Love Carroway of Route 5, Burnsville.
