APPLE ROLL
 Peel and cut very fine enough apples for a medium roll. This depends on size of apples. A large mixing bowl full of the cut apples makes a medium to large roll.
 Make up pie crust. Roll out as thin as desired. Spread the cut apples over the rolled dough. Sprinkle some white sugar on apples and some bits of butter. Roll as for jelly roll and lift into a well greased pan. If you prefer you can put the rolled dough in well greased pan before putting

apples on it. This saves lifting the roll with apples.

Syrup for apple roll--bring to a boil: 1 cup brown sugar, 1 1/2 cups water, 1/4 tsp. nutmeg, 1/2 stick butter, 1/4 tsp. cinnamon.

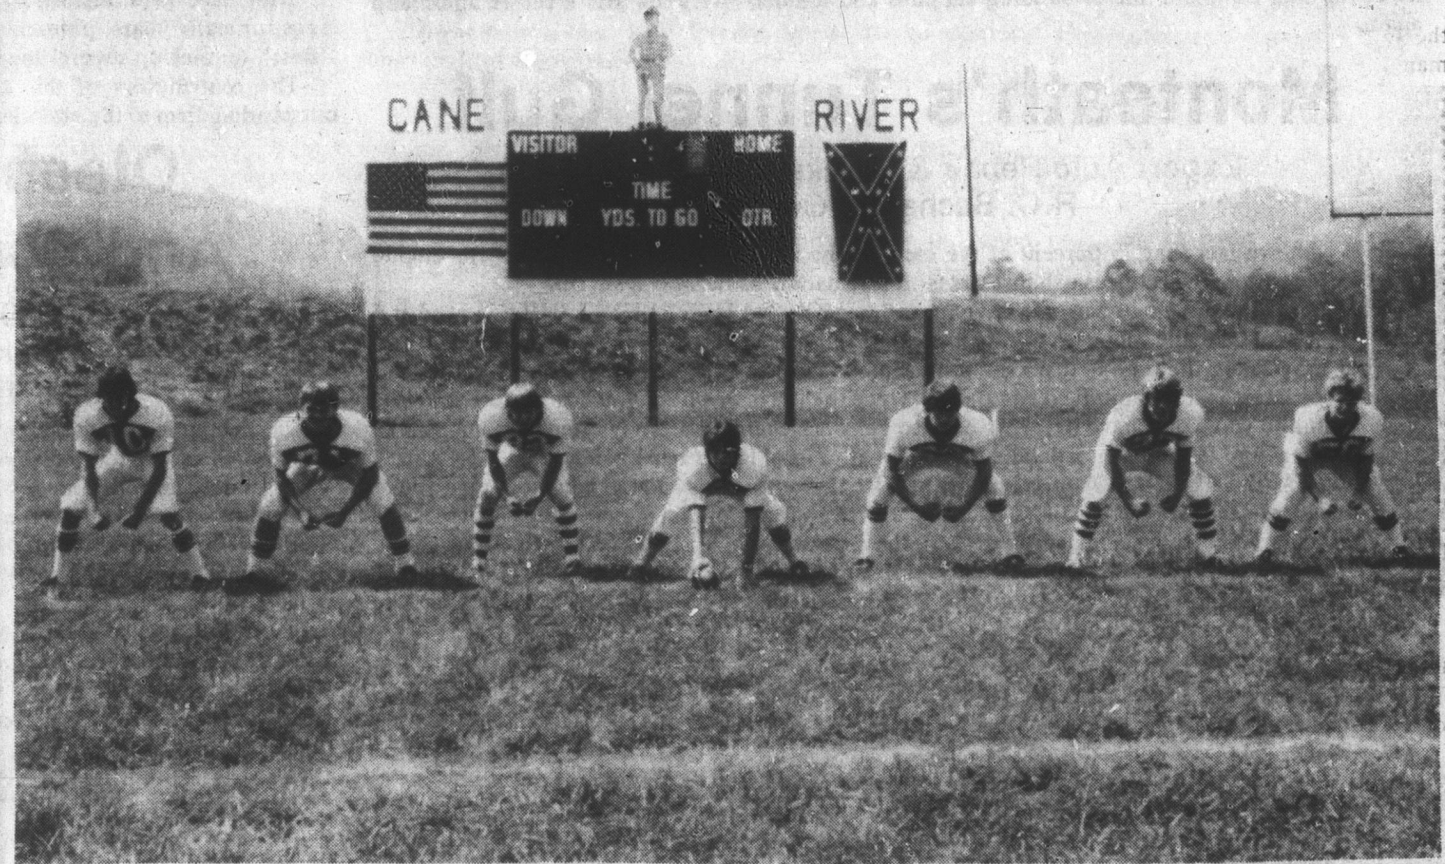

Four hot syrup over roll and bake in moderate oven for an hour--until the apples are well done and the crust a golden brown.

APPLE-CUSTARD PIE
 1 9-inch unbaked piecrust
 6 cups thinly sliced, peeled and cored cooking apples
 sugar
 3 tblsp. all purpose flour
 1/2 tsp. salt
 1/4 tsp. cinnamon
 2 eggs
 3/4 cup half and half or milk
 dash nutmeg

Prepare piecrust with fluted edge. Preheat oven to 375 degrees. In large bowl, toss apple slices with 1/4 cup sugar, flour, salt and cinnamon until well coated. Arrange apple slices in overlapping circles in piecrust.

In small bowl, with wire whisk or fork, beat eggs with 1/4 cup sugar, half and half and nutmeg; pour over apple slices; cover loosely with foil. Bake 45 minutes; remove foil and bake 30 minutes more or until knife inserted in custard comes out clean.
