Mt. Carmel-Yard Beautifica-

Our Garden (By a Club Member)

This spring our Home Agent called to see us and brought a nice package of Red Cross seed. We were quite proud of these for money was scarce and seeds hard to get.

We planted the beans, beets. corn, turnips, chard cabbage, tomatoes, etc., with various results. I canned ninety quarts of snaps, eighteen quarts of beets, put up five gallons of sour kraut, canned forty or more quarts of soup mixture form the tomatoes, corn and

lima beans. We still have lovely tomatoes despite the long dry spell and some of the turnip seed will be coming up soon. Besides serving the family of eleven with plenty of green things, we have fed a pig, a pet "bunny" and several chickens from waste and the other veterans of this, and extra cabbage leaves, turour Fifth District, that there nips, radish, lettuce and beet are other things and matters greens.

The lettuce was especially quire the attention of our Connice and did not run to seed so gressman as well as the Veterrapidly for we sowed it between an's Legislation, and I am sure some small damson plum trees and the partial shade kept the admirably carry out all phases greens tender.
