

Mrs. O. U. Gullodge Attends Convention In Denver, Colo.

Mrs. O. U. Gullodge, Postmaster, Culberson, N. C., has returned from a two week trip to Denver, Colorado where she attended the Convention of the National Association of Postmasters of the United States. The Convention was addressed by: Postmaster General J. Edward Day, former Postmaster General James A. Farley, Deputy Postmaster General H. W. Brewley, Chairman U. S. Civil Service Commission, John W. Macey, Chief Postal Inspector Henry B. Montague and other postal officials. Senator Olin D. Johnston, Congressman James H. Morrison were among Legislators addressing the Convention. Mrs. Gullodge traveled by chartered bus with other postmasters from North and South Carolina.

WNC Regional Planning Comm. Meeting Planned

Western North Carolina Regional Planning Commission will hold its regular quarterly meeting on Tuesday, November 14 in Forest City. Mr. Frank A. Hood, Assistant Manager of the Georgia Power Company's Area Development Division, will describe his firm's efforts in furthering community planning and economic development in Georgia. The luncheon meeting was called for 12:30 p.m. at Ron and Eddy's Restaurant. Progress reports on the Forest City and Highlands plans will be given. Chairman Percy B. Ferebee of Andrews has asked all members to bring other interested persons to the meeting with them.

Explorer Post 416 See Film On Drug Addiction

Explorer Post 416 of Murphy held its weekly meeting Thursday night, November 2, at the First Methodist Church. The Post entertained Mr. Morris Newton, a member of the Murphy High School faculty, as its guest. After the regular business meeting a film on "Narcotics and Drug Addiction" was shown to the group of boys ranging in age from 14 to 17.

ODE TO OUR NURSE
Serene you will find her
Far-sighted and keen;
Demure in her nature
Perfection's young Queen.
Quick to relieve you
Whatever you ask,
She is able to manage
Any difficult task;
Whether body or mind
She understands well
The remedy needed
To bring you from "Hell".
Her presence is soothing.
Patience does show;
Her touch is as gentle
As April's rainbow.
Never complaining
Whether night or by day;
Your bedside attending
With kindness always.
Hoping and praying
That God will now ease
Suffering creatures
From engulfing disease.
She's noble, She's thoughtful.
Her smile will give health.
So here's to our nurse
Who dreams not of wealth!
Catharine Serene Morton
Andrews, N.C.

Murphy Girl Is Runner In Marathon

Cullowhee -- Sarah Lee Fleming of Murphy was one of the Western Carolina College runners in the recent "Torch of Education" marathon, in which college students from all state-supported schools ran from Murphy and Wilmington to Raleigh. The WCC group, finding itself running ahead of schedule, detoured at Sylva to cover the seven miles from Sylva to the campus, where a host of students and staff came out to see them. Miss Fleming ran in the Cullowhee-to-Sylva lap of the race. She is the daughter of Mr. and Mrs. John F. Fleming of Murphy, a sophomore majoring in art. Among her extra-curricular activities, she is a member of the Women's Athletic Association, the college band, Fine and Industrial Arts Club, and the Baptist Student Union.

An all-new Ford...
right size... right price...
right between
Galaxie and Falcon

Some cars have new names... this name will have a new car!

The name is familiar—the Ford Fairlane 500. The car itself is totally new—so new you'll see nothing else like it this year. It is one of Ford's milestone designs—and will be as influential in its way as the first mass-produced car (a Ford Model T), the first popular station wagon (a Ford Wagon), the first four-passenger luxury car (a Ford Thunderbird), the world's most successful compact (a Ford Falcon).

Right between Galaxie and Falcon in size and in price, the 1962 Ford Fairlane 500 is just the right car for just about everybody; you have never been able to buy anything so right before. Big in room, ride and performance, it is still priced under most compacts. It nips a nickel as though it never expected to see another. It moves like a rabbit on roller skates.

Twice-a-year maintenance
Service is reduced to a minimum—30,000 miles on many items, twice a year on the rest. You go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications. You don't have to touch the engine coolant-antifreeze for two years—or 30,000 miles—at a time. Brakes adjust themselves.

All-new economy Eight from world's V-8 leader
The hand that honed the Thunderbird—and sped the Falcon to all-time Economy Run honors—turned to a new problem here, the world's first economy V-8. Made possible by new Ford foundry methods, the new Challenger V-8 is as strong as iron—and a lot lighter than iron's ever been before. As lively as you'd like... thrifter than you'd expect a V-8 to be... it's a natural powerplant for America's first eat-your-cake-and-have-it-car.

For those who want even greater thrift, there's a new Fairlane Six. Its economy would be gratifying in a smaller car. In a car this size it's a downright delight.

Preview America's newest car now
As part of Preview Run U.S.A., new Fairlane 500's are riding the nation's highways and main streets right now. Watch for them. See what thousands have already seen—and raved about. Take a turn at the wheel—and perhaps do a little raving yourself.

We think you'll agree: this all-new Ford is just right for just about everybody. No matter how many new cars you've looked at, you haven't seen anything like this one. It will be at your Ford Dealer's next week. If you miss it now, be sure to see it then.

JUST RIGHT FOR JUST ABOUT EVERYBODY!
FORD FAIRLANE 500
ONLY THE NAME'S THE SAME!
