Strawberry Plants Are Available Five thousand, five hundred

ing.

by Jim Stewart Cherokee County Farm Agent

A fruit which is a favorite of most families in Cherokee County is strawberries. This fruit is one which is excellent for use both fresh and frozen. The demand for local strawberries has not been adequately met. More strawberries can be sold to tourist through roadside stands.

To enable more families to have a plentiful supply of strawberries and have some to market, the Cherokee County Agricultrual Agent's office will handle orders for plants. The variety which will be ordered is the Tennessee Beauty, These plants will cost growers eight dollars per thousand. This cost will include delivery cost to Murphy.

Grain School To Be Held **Monday Night**

Cherokee citizens who are interested in either the production, storage or marketing of corn will have an opportunity to be brought up date on latest informati on corn, A grain school will be conducted in the Courthouse in Murphy, Monday, March 12, at 7:30 p.m. ac-cordingto Jim Stewart, Chero-

kee County Farm Agent, All Cherokee producers, buyers, handlers, feed manu-

buyers, handlers, feed manufacturers, dealers, livestock and poultry feeders will find this meeting valuable.

Torpedo Bomber Will Cascade Chemical Fire

Adanta, Ga. - A World War Il Grumman propedo homber will cascade chemical fire retardants on potentially dangerous forest fires in the Appalachian Mountains this spring, John B. Spring, Chief of Fire Control for the Southern Review of the Il S. Sonner. No one was injured although the house was occupied at the time of the explosion by the Ridenhour children and Mrs. Lily Rogers, a baby situar. Extensive damage a-mounting to \$3,000 - \$4,000 was incurred by the dwelling. The water heater enclosed in a closet in the combination hitchen-den blew holes in a portion of the ceiling, floor, ern Region of the U. S. Forest Service, said the Forest Service acquired the aircraft some years ago to test and develop methods of retrading forest fires from the air. Air tanker use has been wide-spread in the west since 1956. In the South, Georgia, North Carolina and Florida pioneered in the use of air

According to District
Ranger, Bunch A. Nugent, this
bomber is available for use
in the Cherokee-Clay County
area and will be used here if
needed. Panther Top Lookout
Tower west of Murphy and
Joanna Bald north of Andrews
are being equipped with radios. are being equipped with radios for direct communication with the bomber. The Fire Boss on the fire may then direct the dropping of retardants. The Forest Service plane,

based at Knoxville Tennesse attack forest fires in the National Forests of Tennessee, Georgia, North and South Carolina, Virginia, and the Great Smoky Mountains National Park, The Park Service is cooperating with the Forest Service in this project. Park Service personnel will service the ground operation at the Knoxville base, while the Forest Service will dispatch and pilot the aircraft.

The air tanker can carry 600 gallons of the retardant, diamonium phosphate which not only retards fire, but is a soil fertilizer. It is harmless to humans, domestic animals, wildlife and fish. A-

and drawers located in the kitchen were blown open.

DR. AND MRS. W. K. WHITSON

W.K. Whitsons To Celebrate **50th Wedding Anniversary**

W. K. Whitson of Andrews will observe their golden Wedding anniversary Thursday,

A family dinner will be

full tank will cover an area about 40 feet wide and 300 feet long. As an initial attack weapon, the tanker can hold a fire down until ground crews can reach and control it. For greatest effect, drops must be made from an altitude of 75 to 100 feet.

Based on past forest fire records, Spring expects the service 25 to 30 times during the spring fire season, "If the air drop keeps just one of these fires from spreading to 'blow up' proportions, it will more than save the cost of air operations in terms of recreation, wildlife, water, soil and timer values," said

Mrs. R. N. Whitson f 20 Alabama Ave. in Weaverville on Saturday, Friends are in-vieted to call during the afternoon for 3 until 5 p.m.

Dr. Whitson was born and raised in Asheville and prac-ticed dentistry there almost 50 years until his retirement. Dr. and Mrs. Whitson moved to Andrews nearly three years

Dr. Whitson married the former Elliott BrunsonSum-mers of Meridian, Miss., March 8, 1912, in Atlanta, Ga.

Joining in the celebration will be all of their children, Mr. and Mrs. W. K. Whitson, Jr. of Oak Ridge, Tenn.; Miss Elizabeth Whitson and the Rev. Edward B. Whitson of Andrews and the hosts, Mr. and Mrs. Richard N. Whitson of Weaverville. Also attending will be their grandchildren, Patricia of Weaverville, Nancy of Oak Ridge and Billy

CITIZENS BANK & TRUST CO.

Murphy - Andrews - Robbinsville Hayesville Serving Southwestern North Carolina

Mr. Fred O, Scroggs recalled the days when Mr. Bell travel-led on horseback over roads impassible by automobile and described his adventures when to drive his first

As a token of appreciation and in anticipation of Mr. Bell's retirement plans for trevel, the people of the community presented him with luggage. Games were played, The refreshment table was covered with a yellow cloth and a centerpiece of yellow defindlis. A cake, baked by Mrs. Betty Myers for the occasion was decorated with forty-one candles and presented to the accompaniment of "For he's a jolly good fallow," Fruit punch, coffee, cookies and cake were enjoyed by all the guests,
