Murphy Churches Unite For Good Friday Service

Murphy Churches are uniting, as is their want, in their observance of inter-communion services for the crowning days of the Christian year, Good Friday and Easter. The united Good Friday

service, commemorating the death of Christ, will be held at 1 o'clock Friday afternoon at First Methodist Church, protestant worshippers gather at 6:30 Easter Sunday morning at the Eastern end of Sunset Cemetery to observe Saviour's resurrection.

The worship gatherings come after Holy Week services held in several Murphy churches, including Episcopal Methodist Presbyterian; and Lead up to the commemoration of Easter at Morning worship in the various congregations.

Our Easter Hats

Our hats are so funny to some of our men But we think they're lovely, especially when -They're tiny and just fit the top of your head With a perky little bow--or a rose so red,

But "He" looks it over with a smirk and a sneer "Do you call that thing a hat, my dear?"
We have all kinds -- every color and shape,
And we never pay more than -- "Four Ninety-Eight."

But there's his "Homburg" -- he wears only for dress-And pays at least "Twenty-Five", for, or I miss my guess. Then that "Little old Stetson," bought to wear in-between-Picked up at a bargain -- just a measley "Fifteen."

His colorful little "Straws" with a feather in the band, And his "Panama and Nylon" -- the best in the land, And the little "Soft Velvets" in sizes for all The sturdy "Duck-Back" for hunting in the fall.

The long bill "Cap" - in plain, stripes or checks He must have one of each of these - or by heck he'll holler!-And you can't touch a one of these --For less than a dollar,

Oh yes!--Our hats are very funny --But we save our men -- a lot of money.

(dedicated to all our men everywhere) by Sally Davidson Murphy, N. C.

Easter Lily Day Set For Saturday

Lilies will grown on the streets of Andrews and Murphy, Saturday, April 21, when the annual Lily Day is held throughout the business district by Cherokee County Crippled Children's Society. to help raise funds for crippled children.

BACK AGAIN: Off the Cuff is back once more after not appearing in the last issue of the Scout, It was good to know that there were people who missed it, Off the Cuff received a few telephone calls and was stopped on the street by people wanting to know if the "Scout" had "got rid of me" or if I had left, But, the whole trouble was due to the fact that one of our girls was out last week and my "ole" boss had me proofreading and making corrections of news copy and it left me no time to write this column. Next time it happens, I wish everyone would "gang"up on him so he won't do it again.

GOOD IDEA: In the pastfew weeks many people have stopped me asking what can be done to make the Town Square in Murphy more attractive. Our Town square could have many attractions for the passing visitor, potential resident taxpayer and industry. I like Murphy but I'd like to see our town square made into a show place, Many small towns through the country have beautiful squares. Some of them have trees and benches, a fountain, flowers, statues or a tourist information booth or trailer run by the Chamber of Commerce. Murphy's town square lacks these things. What can be done? What do you as a resident of Murphy think would improve the square. Give me your views and suggestions and lets see if we can give Murphy a town square more than just a red lightl

chase new equipment which is badly needed.
