Nantahala Balks At Buying **Power From TVA**

Andrews-The State Utilities Commission, on Monday, con-ducted a hearing in F leigh Lacy Thornburg of Sylva, lawyer for the protestants, told the commission that if the on a motion calling for reopening of a case on the procase were re-opened his side would be prepared to show that sed sale of Nantahala's transmission and distribution TVA power would be availfacilities to Duke Power Comable at prices which would enpany. The commission con-ducted a hearing on the proposed sale several months able Nantahala to make a profit on its sale. R. C. Howison, attorney for Nantahala, told the commission ago and has the matter under the fact that TVA sells power advisement.

The State Utilities commission was told that Nantahala Power and Light Co. could not obtain power from the Tennessee Valley Authority and sell it to its customers in Western North Carolinawithout losing money.

Opponents of the sale said they were prepared to offer "newly discovered evidence" that T.V.A. is "ready, Willing and able" to provide Nan-tahala with all the power needed to serve its customers. Nantahala has said that in the future it may not be able to meet the needs ot its customers and the needs of its parent company, Aluminum Co. of America, without build-

ing new generation facilities. The petition to re-open the case came from Cherokee, Jackson and Swain Counties, the town of Bryson, City, An-drews, and Webster, three granges, the Eastern Band of Cherokee Indians and the five
