BIBLE QUESTIONS & ANSWERS

Tom Ledbetter, Minister Andrews Church of Christ

Question: Are we permitted to use instruments of music in worship to God?

Answer: No, pertaining to instruments made by man. The Lord commands us to sing (Eph. 5:19), the kind of music we are to use, and this excludes all other kinds of music.

Man will say it's only a small thing, but remember the story of Nadab and Abihu in Lev. 10:1-2 who offered strange fire to the Lord and were consumed by the fire because of it. This change was a "little thing."

We are commanded to worship in "Spirit and truth" (Jn. 4:24), and Paul carries this out when he says to "make melody in the heart to the Lord" (Col. 3:17), and "I will sing with the spirit and the understanding also" (1 Cor. 14:15).

Let us do what the Lord commands, and leave out the things He did not command.
