Dear Subscribers.....

Would you like for our paper to have more news? Have you had an anniversary celebration, a birthday party, church meeting, some one to get married, been visiting or do you know about something unusual that would be a good feature story? Would you please let me know about these things. Several responsible people send me news each week. I would like for others to send news. I can only get the news to the office in Murphy that you let me know about. Everything must be in to me on Monday -- the earlier the better. I hope you will help me to make our paper better each week by letting me know what is happening in your community.

Sincerely,
Mrs. Neal R. Kitchens.
