Wildcats Win Opener 20-6 Over Robbinsville

ANDREWS - Coach Hugh Hamilton speaking of his Wildcat's 20-6 victory over Robbinsville High here Friday night said, "I liked the way we hit but we suffered some from first-game-tus."

The Wildcats made a strong showing in this opening game, moving well on the ground and passing.

Andrews plays at home again this week, facing a Franklin squad that has been described as an "unknown quality" this year with a new coach and new players.

In Friday's game the Wildcats got started by fumbling the opening kickoff. They held Robbinsville on their 24 however, and took over on downs.

A 76-yard touchdown drive ensued, with a 29 yard pass from quarterback Jimmy Watkins to end Burch Sursavage and a 16 yard jaunt by halfback Mike Sheidy sparking the march.

Watkins passed 13 yards to end John Gernert for the score. Gernert's kick for the point was wide.

In the second period, Robbinsville was saved from a fourth down punting situation by a 15 yard penalty on the Wildcats. Kenny Adams picked off a first, and Kenneth Garland went over from the six to score. The conversion failed.

Early in the second half Gernert recovered a Blue Devil fumble for Andrews, and Watkins broke loose on the next play for 41 yards to Robbinsville's 20. Marr gained seven more and Watkins lofted a second TD pass to Gernert. Gernert kicked the point.

Miss Jane Phillips, Mrs. Nellie Phillips and Mrs. Orland West attended the graduation.

Health Center Plans Complete At Andrews

ANDREWS - Mayor Percy B. Ferebee announced this week that plans for a new health center for the town are complete and have been forwarded to the Medical Care Commission in Raleigh for approval.

He explained that the plans are expected to be approved in time to advertise for bids for construction of the new health center by the last of September.

A one acre tract of land has been deeded to the county by District Memorial Hospital of Southwestern N. C., Inc., as a site for the center, the mayor said.

S. J. Gernert Police, Fire Commissioner

ANDREWS - S. J. Gernert, Andrews Alderman, was elected Police and Fire Commissioner by the full Board at a meeting Monday night in City Hall.

Board members said that they felt the new post was desirable to provide supervision of the Police and Fire Department by one member of the Board.

They pointed out that the Commissioner would provide closer contact between the two departments and the Board and also maintain higher efficiency.

Rev. France Postell left Sunday for Valdese where he will be conducting revival services this week at Mount Zion Baptist Church. Mrs. Postell plans to join him on Friday and be present for services during the weekend.

Mrs. Marvin Pullum has returned from Charlotte Memorial Hospital where she has been a patient for a week. Her friends will be glad that she is better.

Grants Approved For Two Andrews APW Projects

ANDREWS - Large federal grants have been approved for a sewage disposal plant and a community center for Andrews.

The grants were approved through the Accelerated Public Works program. The Department of Health, Education and Welfare appropriated \$148,000 to be applied to a sewage disposal plant, which is estimated to cost \$213,000.

This estimate also includes cost of land that must be acquired for construction of the sewage plant.

A second grant of \$42,000 through the Community Facilities Administration was also announced this week.

This money will be applied toward construction of a community center.

Total cost of the community center is estimated at \$65,000. In order to receive the grants, the town must provide the remaining funds necessary for construction.

Andrews Mayor Percy B. Ferebee told this week that the town has employed Reed, Hoyt, Washburn, and McCaethy, a legal firm in New York, N. Y., and that the firm has already started proceeding for calling an election to vote bonds to finance the town's share of the cost.

Sewage bonds of \$70,000, water works bonds totalling \$25,000 and community and recreational bonds of \$25,000 will be voted on in town to provide the matching funds necessary to get the grants.

Notice of the action is being published in a local paper this week, and the election date will be set at a later time, the mayor explained.

The \$25,000 water works bonds will not be issued unless it is determined that the installation of the sewage disposal plant will require improvements of the water shed of the filter plant now in use by the town, according to the mayor.

Bidding Begins

ANDREWS - The Andrews Board of Education this week announced that bids for construction of the second wing of the new high school building will be opened September 18.

The new wing will contain a gymnasium and cafeteria.
