## BIBLE QUESTIONS & ANSWERS

By Tom Ledbetter  
Andrews Church of Christ

QUESTION: Should we observe Christmas as a religious holy day?

ANSWER: This holiday cannot be found in the Bible, but it is an invention from the traditions of man. Christ said that our worship is vain if we teach for doctrine the commands of man. (Mt. 7:7-8)

We find from church history that Christmas has been observed on at least three different days, one in May, January 6, and December 25. It is even admitted to be part of paganism brought into Christianity.
