MR. AND MRS. MARTIN PALMER of Marble and children, Clara, Joe, and Kenny (L-R above standing) made a trip to Lawton, Oklahoma during the Christmas holidays to visit Mr. and Mrs. Palmer's daughter, Judy Kay, (above, center, seated) who is a student at Fort Sill Indian School in Lawton. Miss Palmer is attending the school under the sponsorship of Wayne Holland of Murphy. The photo above was taken at the school when the family gathered for Christmas dinner. The great highway performer

'64 Jet-smooth Luxury Chevrolet

What does it take to make a car a great highway performer? If the car happens to be a '64 Chevrolet, one thing only. A highway.

You'll find everything else already neatly packaged for you—on the car exactly as you pick it off the showroom floor.

There's a choice of seven engines—all the way up to a twin-carb high-compression 425-hp V8*—and four transmissions, including a finely honed 4-speed stick shift.*

And underlying it all—a bump-skimming Jet-smooth ride that helps keep the performance great even when the highways aren't so great.

What about special performance equipment? Professional driving skills? Forget them.

Nobody has to doctor or coax or soup up these Chevrolets to get the best out of them. And that's really the test of a great highway performer: Just about anyone can get a kick out of driving one, just about anywhere, just as it comes out of the showroom.

Next time you're out your dealer's way, allow a few extra minutes to sample one of these highway performers on your own. A few are ready all you'll need. That's enough time to do a lot of driving in a Chevrolet. *Optional at extra cost.
