Girl Scouts Announce Cookie Sale

MURPHY - The annual Girl Scout cookie sale gets underway Saturday, Jan. 25, and folks who have a sweet tooth for either of the four varieties will have to sign up a head of time to insure that they get a box.

Girl Scouts will call on homes and businesses in this area and take orders for the cookies.

Delivery of the cookies won't be made until February 27, and those who have ordered will pay for the cookies at that time.

Girl Scout Cookie sale proceeds provide funds for the girls themselves to support their council.

Cookie money has made possible many improvements in the Girl Scout camp at Brevard, and profits this year will add to this, and also help provide local day camps and troop camping sites.

The Hiwassee Neighborhood of the Girl Scouts, which includes Andrews, Peachtree and Murphy, is affiliated with Pisgah Council's Asheville Headquarters, and Girl Scouts here are helping to build a new Service Center there to serve 16 WNC counties.

The local Girl Scout troops keep five cents out of every 50 cents collected for each box of cookies sold, for use in the local troops' projects and trips.

The Girl Scouts are aiming at a goal of 100,000 boxes of cookies to be sold in 16 WNC counties.

BIBLE QUESTIONS & ANSWERS

By Tom Ledbetter Andrews Church of Christ

QUESTION: Are we commanded to tithe?

ANSWER: No, this command is not given in the New Testament. It was surely part of the Law of Moses or the Old Testament (Mal. 3:8-10) where the people were commanded to give a tenth of all their possessions to the Lord.

The New Testament commands us to give as we are prospered or give to the Lord in proportion to what we have. There is no set amount given, but we are told to give liberally and since the law of Christ offers more than the law of Moses, it should require more.

We are also told to give cheerfully and not of necessity (II Cor. 8, 9) upon the first day of the week (I Cor. 16:2).

Radio programs on WKKK: Sunday 8:15; 9:30. Church services in Andrews: Sunday 10:00; 11:00, 7:00 p.m. Wednesday 7:00 p.m.

ELECTRICITY MAKES HOME HEATING LOW IN COST

This is a typical modern home. It has electrical resistance heating. Last year, the total heating bill was about \$100. (And the outstanding features of flameless electric heat — even warmth, cleanliness, safety, individual room thermostats — added nothing to the cost.)
