

**Mrs. Lloyd Hendrix Reads Memorial To Late Elmer Greene**

MARBLE - Mrs. Lloyd Hendrix read a living Memorial to the late Elmer Greene, W. N. C. Associational Missionary, at the Woman's Missionary Union Association annual meeting on May 5, 1964, at Marble Springs Baptist Church. The following testimony was entered in the minutes of the meeting:

"He was one of us - rejoicing in our progress, sorrowing in our failures, and looking forward to seeing God's kingdom more fully advanced through Woman's Missionary Union.

"I am sure you feel his presence here today. In our human selfishness it is very hard not to be sad, and feel sorry for ourselves; and yet I am sure Mr. Greene is up there in the presence of our Heavenly Father.

"In Mr. Greene's memory, can we do less than resolve to: work harder, pray more, and give larger gifts to the cause of our Dear Master, who gave Himself that we too may have the Eternal Life that Mr. Greene is now enjoying."

**We drove 3,243 miles to make a point about our Super Turbine transmission**

You can do it on the way to the grocery store

Would we drive a Buick with a Super Turbine transmission\* all the way from Pasadena to New York City just to win Class C in the Mobil Economy Run? Of course. And just in case anyone failed to get the message, we did it twice again. And won Class D and Class G. In all, Buick entered 4 classes, and won 3—more than any other make of car. (Remember when people used to think Buicks used a lot of gas?) Did we make our point about the Super

Turbine transmission? You bet. Obviously you aren't planning to drive 3,243 miles to prove your new Buick is economical. And you can't expect to get as many miles per gallon as the experts in the Economy Run. Still, it is nice to know you can win the economy run around town. And the good-looks prize at the same time. See your Buick dealer about it. No doubt he'll think of a number of other reasons to drive a Buick.
