### Political Tidbits

We were surprised to hear that Lady Bird Johnson was booed in Columbia and Charleston. We knew it could happen in New York or Chicago, but we always thought our flat-land neighbors had better manners.

-J-And while we're at it, a bushel of thorns to the hecklers who booed Democratic speakers at the Courthouse here Thursday afternoon.

Political excitement seems to be building in Mrs. Kate Evans' kindergarten class. From the group of five year olds came the cry... 'Johnson, Johnson, he's my man..... Throw Goldwater in the garbage can".... and from the opposition....."Goldwater, Goldwater, he's my man.... I can't vote, but my daddy

**Enthusiastic Cherokee Crowd Turns Out For Democratic Rally** MURPHY- In introducing and to their teachers my spe-Dan K. Moore, here Thurs- cial thanks for their being here day, October 8, before a crowd this morning. You know as I estimated at 1,000 gathered in have gone over the state in the

house, Congressman Roy A. Taylor said, "There is not much that I need to say in introducing Dan Moore to the strongest Dan Moore county in North Carolina. I know that we are going to send him to the governor's mansion with a tremendous vote this fall," he set the tempo for enthusiam which generated optimism over the coming election.

The visit to Cherokee County Thursday was Dan Moore's 94th county during the current campaign. He has visited each of the 100 counties three times since he entered the race more than fourteen months ago.

Thank you all for being

here today and for all that you have done for us in the past. Cherokee County is one of my favorite places. I have so many friends here that have meant so much to me over the years that I could talk for hours. I could express my gratitude to each of you individually but it would take the rest of the week. I simply want you to understand that I mont, N. C., as a gift for her will forever have a warm spot in my heart for you, the good

You know there were some who sought to discredit me by that name, but I throw back my shoulders with pride, when I

hear that name, Mountain Man, because we have the finest people in the world right here in Western North Carolina."

"Just look at this group here this morning, these Dolls for Dan, my gracious alive, to express to these children

the street in front of the courtlast months, and I have been over the state, this week I will have completed three trips to every county in the state. I have been especially pleased with the response I have received from the young people."

"I have received literally hundreds of letters from them as the campaign has been underway. They have sent me their money, one little boy sent me his piggy bank by parcel post, in it there was eleven dollars and twenty-one cents, his entire life savings for my campaign fund. As I went about and saw these young people, as I received their letters, nickles, dimes, quarters, halves, and dollars, I realized once more the responsibility that we have for the fut-

ure of these young people." "As your governor, I will work, and I would work diligently for them, to see that these young people have the opportunity to develop to the very fullest of his or her capabilities."

"Our future is here in front of us and in other groups over Education, of the state. course, is the key to that future and we will see, with the help of Dr. Carroll, and with the help of dedicated teachers over this state, the other people that are concerned with education, that these children do have this opportunity."

'We are asking your support for the Democratic Party so that we may make this great state of ours even a greater state so that we may fulfill the hope, the ambitions, the aspirations of the people of North Carolina by giving to them a greater future than they have ever had before."

A group of non-voting young people gathered on the steps of the Murphy First Baptist Church, across the street from the courthouse attempted to heckle the Democratic all these fine children. I want made of their presence from speakers. No mention was the speaker's platform.

# **Bulldogs Defeat Yellow Jackets By 26-7**

By Red Schuyler MURPHY - The Murphy

High School Bulldogs defeated the Hayesville High School Yellow Jackets in a hard fought game Friday night, which was much closer than the final score indicated. The score was Murphy 26, Hayesville 7. The Yellow Jackets drew

first blood when Moss went over the double stripe for the TD and Rockwell picked up the extra point on a fake kick. Hayesville's score came with six minutes and nineteen seconds remaining in the first half. Three minutes later Jimmy Cole broke clear of the Jacket line and with good interference went fifty vards for a TD. It was nullified due to an infraction at the thirty-

Murphy again put the in play at the fifty yard line and this time executed a perfect screen pass from Watson to Cole, who again scampered all the way to paydirt and tied the score 7-7 when he made the extra point.

### Special Tobacco Demonstration To Be Oct. 21

MURPHY-Cherokee County Burley tobacco farmers will have the opportunity to attend a special demonstration on stripping and sorting of Burley tobacco. The demonstration will be held at the farm of Noah Hembree, in the Peachtree Community, Wednesday, October 21, at 1:30

L. D. Flack, a Burley tobacco Government Grader and also a grower of Burley tobacco, and Dr. D. M. Gossett. Extension Agronomy Specialist, will be assisting with the demonstration.

It has been said that it is extremely important that Burley tobacco producers be concerned about preparing their crop for the market this fall.

The Hembree farm is located just off the Murphy to Hayesville highway three and one-half miles east of Murphy. Signs will be on the highway to mark the direct route to the demonstration. Growers are urged to bring

a stick or five stalks of tobacco if they would like to see a sample of their tobacco weighed and graded.

## Demo. Rally **And Dinner** To Be Oct. 17

MURPHY - There will be a Cherokee County Democratic Rally and dinner at the Murphy Elementary School Lunchroom Saturday evening, Oct. 17, at 7:00

Congressman Roy A. Tay-lor will be the guest speaker. A spokesman for the party said that everyone is invited.

The first half ended with Murphy again knocking at the door but time caught them at the eleven and the first half ended with the score tied 7-7.

At the beginning of the second half, Cole's kick was short and Hayesville put the ball in play on their 47. They then failed to pick up the first down and Moore kicked out of bounds on the Murphy 21. The first play from scrimmage saw Donald Stiles pick up twenty-one yards and a first down.

In the second series of play was fourth and three when Waymon was called in to kick. He once again got off a beautiful kick that carried to the Yellow Jacket five yard line, where Rockwell fumbled the kick and Murphy recovered in for another six points. Watson's pass for the extra point failed.

With Sellers, Moss, Rockwell, Running and Moore catching passes, the Jackets moved to the Murphy fifteen. After two incomplete passes, with Rockwell picking up two yards, a pass from Sellers to Moore was good in the end zone but was nullified with an offside penalty against Havesville.

This is where the drive bogged down and Murphy took over on their own fifteen. With Stiles, Stevens, Cole

and Watson moving the ball good in the third quarter, the Bulldogs were in possession on their own 39.

On the first play of the fourth quarter, Jimmy Cole

broke through the Hayesville line and ran 61 yards for a touchdown and Watson ran the PAT. In Hayesville's next drive,

they picked up three first

downs, carrying to the Bulldog 25, then lost the ball on a fumble. Lyle Martin recovered and Murphy once again took advantage of another break and marched downfield to pay dirt for their final tally of the night.

Watson's run for the extra point was no good. The game ended with the Bulldogs in front 26-7.

The entire backfield for Hayesville played good ball and with a few of the breaks going their way, the final score might have been in their lavor.

The line play of the Yellow Jackets was probably their best showing thus far this year. For Murphy, the punting by Waymon was again outstanding, kicking the Bulldogs out of trouble several times.

The running by Cole, Stiles, and Stevens, and at times by Watson, looked good.

Murphy will have their hands full this Friday night when they journey to Robbinsville to play the once beaten Black Knights. The rest of the regional schedule finds Andrews playing in Hayesville, Swain at Franklin, East Rome at West Fannin, North Gwinnett at East Fannin, and Copper Basin at Madisonville, and Union County at Jefierson.

### Murphy Guarter-**Back Club Meets** Tonight, Oct 15

The Murphy Quarterback Club will meet Thursday night at the Elementary School at 8:00 p.m.

A film of the 1963 Darlington 500 Race will be shown. County Commissioners of Cherokee County today adopted a resolution urging the approval of the \$100 million State School Bond Issue at the General Election Nov. 3. In the resolution the commissioners noted that ade-

quate school buildings, as well as qualified teachers and up-to-date courses, are necessary parts of a sound public school system. And they pointed out that the construction of necessary school buildings is imposing an ever-larger burden on county property taxes and county property taxpayers.

The 1963 General Assembly authorized the issuance of \$100 million in State School Bonds, subject to the approval of the voters. The election on the question of approval has been set for the General Election on November 3.

If the State Bond Issue is approved, Cherokee County will receive \$377,537.52, for the construction of school buildings in the Cherokee County School Administrative Unit and in the Murphy and Andrews City School Administrative Units.

If the State Bond Issue is not approved, the taxpayers of Cherokee County will be called upon to raise this amount from property taxes.

The funds would be divided as follows: Cherokee County School Unit, \$142,375.31; Andrews School Unit, \$104,414.57; and Murphy School Unit. \$130,743.64.

According to the commissioners' resolution, this amount, and more, will be necessary in the immediate future if adequate buildings are to be provided in which children may study and prepare for a productive role in the life of their community,

the county, and the State. The full text of the resolution reads as follows:

WHEREAS, adequate public school buildings, as well as qualified teachers and up-todate courses, are necessary ingredients of a sound public school system; and

WHEREAS, the construction of necessary public school buildings is imposing an everlarger burden on county property taxes and county pro-

perty taxpayers; and WHEREAS, the General Assembly has offered to help counties meet this burden by authorizing the issuance of \$100 million in State School ands, subject to the approval of the voters at the General Election on November 3; and

WHEREAS, if these State School Bonds are approved on November 3, the public schools of Cherokee County will receive the sum of \$377,537.52 for use in building additional school buildings when they are needed; and if these State School Bonda are not approved, the taxpayers of Cherokee County will have to raise this amount from property taxes; and WHEREAS, this amount and

more will be necessary in the immediate future if the children of Cherokee County are to have adequate buildings in which to study and prepare for a productive role in the life of their community, the county, and the State;

NOW THEREFORE BE IT RESOLVED by the BOARDOF COUNTY COMMISSIONERS of CHEROKEE COUNTY that the State School Bonds be and they hereby are heartily endorsed because they will help provide the additional school buildings that our children need.
