Letters To Citizens

Dear Mr. Christy:
I want to send my thanks and congratulations for a fine job last week when we Canton people came out to Murphy on the train.
It must have taken lots of hard work to organize your group so well in such a short time.
Yours Truly,
Elizabeth Ferguson

Dear Sir:
Please allow me to express my appreciation for the most hospitable treatment we received in Murphy for the football game last Friday evening. Your members made the oc-

castion most enjoyable for all of our people.
It would certainly be fine if the trip could be made in reverse sometime. It would be a pleasure to return your kind favors.
Sincerely,
