## ASCS NEWS

By: Bass U. Hyatt Jr.

### Feed Grain Money Ready

Final Feed Grain payments are now ready for those farmers who are eligible for them. All farmers that have been notified should pick up their checks immediately. Farmers are reminded that acres diverted to conserving uses cannot be grazed until October 1, 1965.

### Money Available

Any farmer that needs to re-establish pasture or hay fields should make a request through the ASCS for financial assistance. There is some money still available for this purpose.

ASCS can furnish money for cover crops also regardless of prior approvals made to an individual farm.

### Income To Be Higher

Realized net farm income in 1965 will likely total almost \$13.5 billion, the highest level since 1953.

The new level will be \$1.8 billion more than in 1960 and is \$900 million more than in 1964. Prices for farm products averaged about 10 per cent higher in June than they did a year ago, especially for beef, pork, broilers, feed grains, tobacco, soybeans, potatoes and vegetables.

Cash receipts from the sale of farm products in the first half of this year were some \$700 million more than in the same period in 1964.

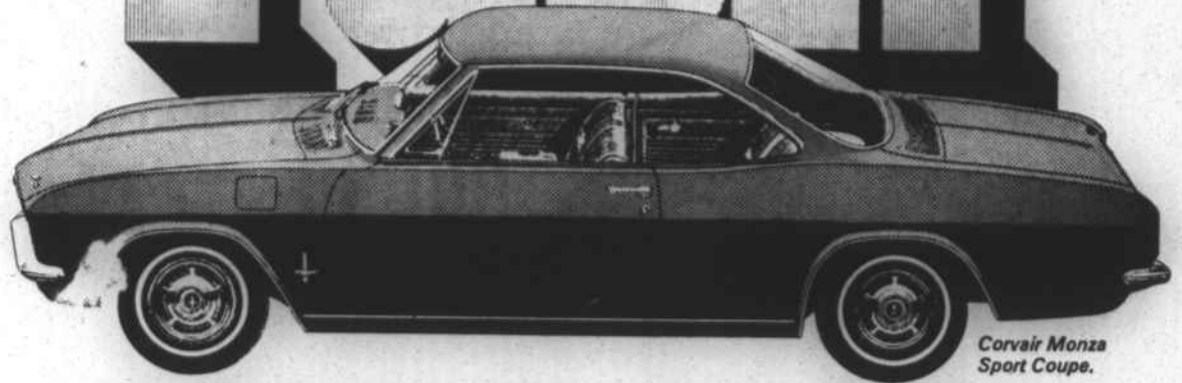

Realized net income per farm is estimated to be \$4,000 as compared to \$3,727 in 1964 and \$2,956 in 1960.

"Prospects for maintaining this improved level of performance will depend on the continuing stability of the Nation's economy and on the actions taken by the Congress on the President's food and agriculture proposal now pending, which would extend and improve the policies which have proven so successful during the first five years of this decade.

Cherokee Scout & Clay County Progress, Thurs. Aug. 12, 1965

don't hurry...

# rush

Corvaire Monza Sport Coupe.

Now's the time to drive a great deal from a great choice of brand-new Corvairs, Chevrolets and Chevilles. Leave it to Chevrolet to make sure these beauties look costly. Leave it to your Chevrolet dealer to make sure they're not. But rush, rush, rush! They're moving out fast.
