

Cherokee County Extension News

September is a very important month to a strawberry plant because this is the month that the fruit bud formation takes place for next years crop, says Jack Earley, County Extension Chairman. This makes late August and early September an important time to the strawberry grower who wants to have plenty of large fancy berries next spring because this is the time to fertilize for next years crop. If the fertilization is effective it must be on the ground and to the roots of the plants before the fruit bud formation takes place.

The principal plant food required by the strawberry plant is Nitrogen, an acre of strawberries needs an annual application of 40-50 pounds actual Nitrogen. This rate is equivalent to 1 1/2 pounds ammonium nitrate per 100 feet of row or 150 lbs. per acre. Application should be made only when the leaves are dry and the fertilizer should be swept off the leaves to prevent burning of the plants. The fall application of Nitrogen is sufficient to feed the plants throughout the year if sufficient balanced fertilizer was used before setting the plants.

Spring fertilization of

strawberries is essentially useless since the number and size of berries is determined each September. In fact, spring fertilization is detrimental to the crop because it causes excessive vine growth and soft strawberries.

4-H's Fair Time

Since this event is drawing very close at hand you should be ready to enter your community 4-H Club exhibit. All 4-H booths will be set up Saturday morning or Monday before 8:00 p. m. in the Old Rock Gym.

All exhibits must be in place on Monday and judging of exhibits will start at 9:00 a. m. on Tuesday. Exhibits must be removed from the gym on Saturday, September 11 by noon.

4-H pigs will be judged at 2:00 p. m. Thursday, so all 4-H's should bring their pigs to the Fair grounds Wednesday.

Four-H dairy calves will be judged 8:00 p. m. on Thursday, so all 4-H's should bring their dairy calves to the Fair grounds Wednesday. If there is anything you need to do to your calf in the way of grooming, you will have time Wednesday afternoon and Thursday afternoon.

Four-H's who have horses to bring to the Fair you should bring them on Thursday. The horses will be judged 8:00 p. m. on Friday.

Since your animals appearance and condition will determine what position you win, you should really put forth an effort in preparing your animal for the Fair. Cleanliness upon arrival and throughout the Fair will be a very important part so please keep it in mind.

Looking forward to seeing you at the Fair.

In Memory Of Mrs. Mary Swan

By: Mrs. J. Wiley Davis

No one hears the door that opens as they pass beyond recall

Soft as leaves of rose petals, one by one our loved ones fall.

We pay tribute to our own beloved Mary Swan today Who like the falling rose petals has passed beyond recall.

But she went forth soothed and sustained by an unflinching trust,

Like one who wraps the drapery of his couch about him and lies down to pleasant dreams.

She was an active member in her church and our Garden Club as long as her health permitted. She was a wonderful friend to all those with whom she came in contact.

She leaves to her children a goodly heritage that can only be bestowed by a devoted mother. To her husband, the memory of years of love and devotion. To her many friends, cheerful thoughts of a pleasant smile and a warm vivacious person, ever ready to do the little things in life that mean so much to each of us.

Through distance we loose the touch of hand on hand and clasp only the thread of memory, but if we could roll aside the curtain which separates us from the veil of tears, we would there enshrined, our loved ones.

So think of her in the love there as the love here. Think of her still as the same, I say she is not dead, she is just away.

dant the heirs of those defendants originally named who are not now living, in accordance with a motion heretofore filed with the Clerk of the United States District Court for the Western District of North Carolina at Asheville, North Carolina.

YOU ARE FURTHER NOTIFIED to appear at the aforementioned time and place to show cause, if any you have, why the order requested should not be entered.

Dated August 30, 1965. WILLIAM MEDFORD United States Attorney By William M. Styles Assistant United States Attorney, Attorneys for Plaintiff, 310 Post Office and Federal Court House, Asheville, North Carolina
