

Rescue Squad Finds Hunter Following 24-Hour Vigil

MURPHY - James Pearly Trull, 60, of Marble, Rt. 1, missing more than 24 hours on a bear hunting trip, was found safe about 1:30 p.m. Saturday, October 16 on the Tennessee side of the rugged Tellico Mountain section near Murphy.

Trull and a companion, Syc Birchfield, also of Marble, entered the mountains Thursday and made camp. They separated Friday morning and when Birchfield came back to camp late Friday afternoon there was no sign of Trull.

Other hunters brought back the word that he was missing and the Rescue Squad began searching Friday night, without success. The hunt was resumed Saturday, with several jeepsloads of men participating. Trull said he had taken a side trip to hunt squirrels and became lost. He said he had walked most of Friday night and Saturday.

He was missing in some of the wildest, most rugged country in the area, where bears and wild boar are prevalent.

Three Named To WCC Board

RALEIGH - Gov. Dan K. Moore filled three positions on the board of trustees of Western Carolina College Thursday.

J. Ramsey Buchanan of Sylva and Arnold Hyde of Asheville were reappointed. Sen. Frank Forsyth of Cherokee was appointed to replace Guy Sutton of Robbinsville.

The terms will expire June 30, 1973.

Bulldogs Lose To Robbinsville 19-6

By: Red Schuyler

After winning two straight games, the Bulldogs lost to the Robbinsville Black Knights 19-6 Friday night on the local athletic field. The Black Knights brought to town one of the best football teams that has been seen around these parts in a long time.

The Bulldogs got off to a good start receiving the kick off and returning it to the 35 yard line. Without relinquishing the ball they marched 65 yards to pay dirt for the only score they were able to get. With Wayman mixing up his plays with passes and running plays, they picked up four first downs on their march with Wayman taking it over for the score from two yards out. In the touchdown march Wayman passed to Johnny Rogers for 10 yards, and the rest of the yardage came on the ground with Shields, Wells, Stiles and Wayman gaining yardage on every play. The try for the extra point was no good.

Penland's kick off was short and Robbinsville put the ball in play on the thirty yard line. Failing to pick up a first down the Knights were forced to punt to Wayman on the Bulldog 35 with no return. The Robbinsville line stiffened and after picking up four yards on two tries, Wayman dropped back to pass and with no protection whatsoever had to eat the ball for an eight yard loss. Wayman kicking from his thirteen yard line boomed one down to Jackson on the 21 yard line where he was tackled in his tracks by Haskel Roberson. After picking up seven yards, Jackson was forced to kick again and the ball took a Robbinsville bounce and was dead on the Murphy 24 yard line.

On the second play from scrimmage, Shields picked up 38 yards on a beautiful run through the Robbinsville line. On the next play the Bulldogs suffered a fifteen yard penalty. Stiles picked up five yards on the next play and with second and twenty, Wayman dropped back to pass and it was picked off by David Crowe who after eluding several would-be Bulldog tacklers ran it back about seventy yards before finally being brought down by Don Stevens. Robbinsville was guilty of a clipping penalty on the Robbinsville eighteen yard line and it was all in vain and Robbinsville had to start from the point of penalty.

On the next series of plays with Jackson and Wachacha carrying the ball, Robbinsville picked up their first down of the night. Failing to gain on the next three plays, Robbinsville was forced to kick again. McMonigle kicking from his five yard line booted one out to Wayman on the Bulldog forty yard line. Robbinsville was offside and Wayman took the penalty. The Knights went back into a kicking position again, but instead of kicking, McMonigle spotted an opening and decides to gamble. A very risky choice, and as they sometimes do, this one paid off. McMonigle picked up about twenty yards and a first down. An incomplete pass to Matheson and the next one complete good for thirty yards gave the Knights another first down. On the next series Lee-ure and Wachacha picked up a first down deep in Bulldog territory. On a reverse play,

Wachacha went untouched into the end zone to tie the score with less than four minutes remaining in the first half. The try for the extra point was no good and it was a tie game.

After receiving the kickoff on the Bulldog 10, Wayman returned it to the 18 yard line. Failing to move the ball, Wayman kicked out again, this time the ball took a Murphy bounce and rolled dead on the Robbinsville 39 yard line. After failing to gain on the first play, the ball was given to Wachacha again and he took it all the way to the Bulldog six yard line. The run was good for 55 yards. On the next play, Jackson scored the touchdown to put the Knights ahead. The try for the extra point is no good. Robbinsville ahead by six points and one minute and ten seconds remaining in the first half.

Wayman took the next kickoff on his fifteen yard line and ran it back to the 33. With the help of a fifteen yard penalty and with time running out, and trying to score again before the half runs out, Wayman tried several passes but without any protection was thrown for several losses before the half ran out, and the score was Robbinsville 12, Murphy 6.

Robbinsville received the kickoff to open the second half. Penland kicked off to the Robbinsville 31 yard line to Matheson with an eight yard return. Putting the ball into play at the 39 yard marker, they marched goalward never giving up the ball. On the 61 yard march to pay dirt, the Knights picked up four first downs with Wachacha picking up most of the yardage and the final two yards for six points. This time the try for extra point was good. With 5 1/2 minutes remaining in the third quarter the Bulldogs went to work to try to add to their lone touchdown.

Wayman took the kickoff on his five yard line, brought it back to the 19 yard line and with the help of a fifteen yard penalty for a personal foul started from the Bulldog 34. The Bulldogs picked up four successive first downs and looked like they were on their way as the third quarter ended. The drive bogged down on the Robbinsville 16 yard line and they had to give up the ball. Robbinsville was unable to pick up a first down and were forced to kick from about the ten yard line. This time the Bulldogs failed to gain and were forced to kick out, and in the exchange of punts Robbinsville gained about twenty yards this time putting the ball on the 29. After picking up three first downs, carrying to the Bulldog 25, the attack bogged down and Murphy took over with 2 1/2 minutes remaining. The Bulldogs picked up three first downs carrying to the Robbinsville 24 as the ball game ended. The final score Robbinsville 19, Murphy 6.

Civitan Sponsor New Scout Troop

The Murphy Civitan Club announced this week that it will sponsor a new Boy Scout troop here in Murphy.

Any boy eleven years old or older, who is not a member of another troop and would like to join, is urged to attend a meeting Saturday, at 4 p.m., in the old Scout building.

Rev. John E. Taylor Episcopal Church Announces Revival

The Rev. John E. Taylor, Rector of Grace Episcopal Church, Waynesville will preach for revival services at St. Barnabus Episcopal Church, Murphy, beginning Monday, October 25.

St. Barnabus is located on Route 64 east near the Murphy boundary line.

Mr. Taylor served in the Army in World War II. He received his B.A. degree at the University of North Carolina and his Bachelor of Divinity degree at St. Luke's School of Theology at Sewanee. Before moving to Waynesville, Mr. Taylor served Episcopal Churches in Fayetteville and Plymouth, N.C.

Services at St. Barnabus will be held Monday, October 25 through Friday, October 29 at 7:30 p.m. There will be a fellowship hymn singing period each evening. The community is invited.

Three New Winners Make 11 In Point Standings

The past week's Cherokee Scout & Clay County Progress football contest produced three new winners. The contest has been going on now for four weeks and now we have four persons tied for first place with five points each, three persons with three points each and three with two points each.

Man Charged With Biting Policeman

ASHEVILLE - Charged with biting a policeman, who received hospital treatment, and with damaging his uniform \$8 worth, Bobby Lee Lloyd, 30, of Rt. 2, Hayesville will be tried in Police Court Oct. 30. Lloyd was arrested around 11:30 p.m. Friday for improper parking - parking on the left side, headed opposite to traffic.

At the police station, Sgt. John E. Pipitone, 32 got on the elevator with Patrolman Paul Smith, who had made the arrest, and Capt. John Best, who was assisting him with Lloyd, who police said was "cold sober, but angry."

Pipitone received scratches and abrasions to his face, neck and mouth, and a bite mark on his right forearm, and was treated at 11:45 p.m. at Memorial Mission Hospital.

Week Of Prayer To Be Observed

HAYESVILLE - Week Of Prayer and Self Denial will be observed at Oak Forest Methodist Church Thursday night October 28 beginning at 7:30 p.m.

All Methodist Churches will meet for this service. A very interesting program is being planned.

MYF Sponsors Spagetti Supper

HAYESVILLE - The Methodist Youth Fellowship of Clay County is sponsoring a spaghetti supper, Friday night at Hinton Center. They will start serving at 5:00 p.m. and continue through 7:30 p.m. Plates are \$1.00 each.

Tickets are on sale this week at the B. T. Super Market, Western Auto Store and Sinclair Station and all members of the group have tickets. If you do not get a ticket in advance, plates will be served to all who come. The proceeds will be used for youth work.

EDITORIAL:

We Are Unwilling To Lie Down And Let Freedom Die

There are many learned and calm arguments against war. The Scout subscribes to each one of them. There is no excuse for war among intelligent human beings.

Human history has proven that intelligence is not always the leading light, however.

There are wars. Wars will likely continue for some centuries to come. And the wars will grow more and more terrible, if that is possible.

Today there are many voices raised against the war in Viet Nam. Specifically, there are many voices against U.S. involvement in Viet Nam.

The Scout believes this is a necessary battle. If freedom is a human necessity, and we believe it is, then the Viet Nam fight is necessary beyond question.

There are those who question. Some do it for lack of understanding, or for purely selfish reasons. Some pose questions that are purely academic and idealistic.

The practical truth about Viet Nam is that it is a Communist inspired trouble spot on our rather small globe of earth. The globe is not a vast disjointed world of nations and customs that rarely meet. It is a small teeming place where we all rub shoulders each day.

Viet Nam is half a world away, yet only a few short hours by warplane or passenger plane. The attack there or anywhere by Communists, who are in an admitted effort to rule the world, is a direct attack on you and me.

Indeed, a Communist front anywhere in this world is an attack on you if you are freedom loving.

So, while we are against war, we are not willing to lie down and die or let freedom die, whether it be in Viet Nam or Murphy, U.S.A.

Jaycees Endorse 'Stay Tough' In Viet Nam

Dear Editor:

In the last few days the news media has given much publicity to the demonstrations against our country's policy in Viet Nam and to the

burning of draft cards. I would like to speak for one group of Americans who love their country enough to fight to preserve our way of life.

As President of the Murphy Jaycees, I am but one of 260,000 young men in America who have endorsed a stay-tough policy in Viet Nam.

Our National Jaycee President, James A. Skidmore, Jr. reported our stand to President Johnson a few days ago explaining that we realize that "to achieve victory over communist aggression, force as well as diplomatic resources are often necessary."

In 1940, the United States Jaycees were the first civic organization to endorse a peace time draft, knowing that 92% of its members might be called on to defend their country.

As far back as 1932 the United States Jaycees were the first civic group to take a public stand against communism as a definite threat to our democratic way of life. I think the time has come for us to stand up and say we are still against communism and we are prepared to fight to keep our nation free.

I think the news media should keep the right perspective in reporting the news. The majority of Americans are ready to defend our nation even though we are not out demonstrating about it.

Our National Jaycee President so aptly said it this way, "As long as there are men who hate and destroy, this nation must continue to have the courage to resist or all that we have built and stood for will crumble."

Yours truly,
Tommy Gentry, President,
Murphy Jaycees.

Hayesville Midgets Edge Robbinsville

HAYESVILLE - The Hayesville Midgets made it four in a row Friday night as they downed Robbinsville 20-13. It was their fourth straight victory with no defeats.

Robbinsville made good yardage against Hayesville, but was unable to score again. Arnold Monkus, David Ledford and Jimmy Nelson led the Hayesville team onward in their winning streak.

Robbinsville scored their final touchdown in the last seconds of the game. Hayesville will travel to Blairsville, Thursday to try to gain their fifth victory.

Isaac O'Hanlon, Democratic Representative from Cumberland County, discusses the upcoming \$300,000,000 Road Bond election with Dr. W. A. Hoover, Chairman of the Cherokee County Commissioners, and Mrs. Mary Faye Brunby, Representative from Cherokee County.

O'Hanlon Urges 'Yes Vote' For Road Bonds At Three County Meet

Isaac H. O'Hanlon, representative from Cumberland County, urged the voters of North Carolina to vote for the \$300 million dollar Road Bond Issue, coming up November 2, at a three-county road meeting held Saturday, October 16 at the Murphy Courthouse.

The \$300 million dollar Road Bond Issue will be divided into three categories, \$75 million for secondary roads; \$75 million, urban roads; and \$150 million for primary roads. The 14th division, which includes the far Western North Carolina Counties will receive \$17,838,300.

The three most western

counties will receive the following allocation, Graham, \$299,500; Cherokee, \$881,000; and Clay, \$361,100. A further breakdown of the bond issue shows that the Town of Andrews will receive \$55,100; Murphy, \$87,800, and Hayesville, \$16,800 for city road improvement.

"We must work for this bond issue," O'Hanlon said, "I sincerely believe that North Carolina is on the threshold of its greatest prosperity."

"It is absolutely imperative that we have good roads," O'Hanlon continued, "these roads must be safe and must be well engineered. On highways we rank fifth in the

dubious honor of slaughter on our highways. We are interested in saving lives by constructing safer highways.

"Tax increase to pay for these bonds, not one cent. "It all adds up to this," O'Hanlon concluded, "we must approve the bond program to have the roads and the road improvement that we need, and so I beg you on November 2, to vote for better roads in North Carolina."

Registration Is Must For Voters

For those wishing to vote in the November 2, \$300 million Road Bond Issue, registration is a must.

If you are new in the community or if you have changed precincts, you must register. Without proper registration you will not be eligible to vote in the November 2 election.

Road Bonds Gain Support

Support of the proposed \$300,000,000 Road Bond Issue and the proposed constitutional amendment authorizing the General Assembly to create a Court of Appeals in the Appellate Division of the General Courts of Justice was announced today by J. Mel Thompson, President of the North Carolina Savings and Loan League. Thompson stated that the board of directors of the North Carolina Savings and Loan League took this action by resolutions adopted at its meeting, Wednesday at the League Office in Greensboro.

In announcing the support of the 182 Member Associations of the Savings and Loan industry in the state, Thompson stated that the League's Board of Directors recommended the adoption of both proposals because they feel that continued economic progress in North Carolina depends very heavily on a good, safe highway program as well as on a modern, efficient court system.

Thompson said that it was the opinion of the Board of Directors that both these measures are in the best interest of the citizens of our state and urged their adoption at the polls on November 2, 1965.

Biggest Little Fan

ANDREWS - John David Hyde, who reached his first birthday Tuesday, has been one of Andrews Wildcats favorite fans. He never misses a game and is shown viewing Jim Sursavage as he plunged for a touchdown in Friday nights game with Hayesville. John David is the son of Mr. and Mrs. David Hyde of Andrews.

Members of the 7th and 8th grade classes at Murphy Elementary School proved they were super salesmen when they sponsored a Bake Sale in downtown Murphy last Saturday. The classes netted \$175 which will go toward restoring the Harshaw Chapel, The restoration of Harshaw Chapel is a project of the local D.A. R. Chapter. The children became interested after studying and visiting local historic points.
