Cherokee County Well Represented At Asheville Meet

By: Mrs. Lloyd Hendrix

Cherokee County was well represented at the Annual Community Development Club dinner which was held on Saturday, December 4th, in the Asheville City Auditorium. Of the 800 guests present, some 35 people occupied the two tables designated for Cherokee County.

The Christmas colors of white, red, and green were beautifully carried out with carnations, grown in Henderson County combined with holly and candles to make things very festive.

The meeting gave one a great sense of unity in purpose of the entire Community Development Club Program as Governor Moore spoke. He recognized agricultural state leaders, who had helped from the state level, the state planning committee of which Mrs. Ed Brumby is a member. She was present to stand for us. The area committees, of which Murphy's Mrs. Bud Alverson is a member were recognized and Mr. Alverson was there to stand for his county. Then our county workers such as Miss Thelma Wheeler and Mr. Jack Early were there to stand as the local leaders from the counties were recognized. It presented such a wonderful picture of the work from the top executive to the individual in his own little community.

We proudly heard Peachtree farm area, Tomota, non-farm area, given honorable mention of work done in their communities and presented certificates with \$50 awards. Also Unaka, represented by Mr. Jones, a 4-H youth, given a \$35 award, and citation for work done in the Youth Division of his community.
