NOTICE TO CLAY COUNTY TAXPAYERS WITH DELINQUENT TAXES
In as much as the Clay County Board of Commissioners sets the County tax rate as low as is possible each tax year for the benefit of the taxpayers, and in as much as there are a number of persons behind in their taxes for one or more years and in as much as Clay County is in real need of all tax money to meet the necessary County expenses, this is to notify all persons having delinquent taxes in Clay County that such proceedings as may be necessary, including foreclosure actions, are being instituted for the collection of said taxes. These proceedings will add many dollars to the amount of taxes due. Save yourself time and expense and help your County by paying all delinquent taxes NOW.

TO OUR CUSTOMERS:

One of our most important jobs is to provide you free planning services and this means helping you with problems related to electricity in your home.
Here are some of the services available to you:
LIGHTING PLANS - Effective lighting is a must for a modern home. It adds to efficiency and comfort. Our lighting specialists are here to help you.
WIRING - Your home should be safe from any defective wiring. Good wiring means efficiency, convenience and economy. If you question the wiring in your home, call us.
HEATING - Electric heating is clean, safe and economical. A heating engineer will help you plan your installation and figure your costs, too.
AIR CONDITIONING - For summer comfort, you'll want to air condition your home. Start now by calling us to help in planning for this summer.
These services are yours - free for the asking. Just give us a call.
