Dashing new American out-accelerates Corvair, Falcon, Dart at Daytona! Chalks up 24.5 mpg, too!

And it's still the lowest-priced car made in the U.S.A.!

Our '66 Rambler Americans are full of surprises.
 Two of them just knocked off Corvair, Falcon, and Dart, finishing 1, 2 in the Class VI Acceleration Test in the NASCAR-supervised '66 Pure Oil Performance Trials. Proof of more power for safe passing.
 How did American do it? With a surprising new Six. The biggest, newest, most powerful standard Six in its class. Yet the same car that won the Acceleration Test, posted a remarkable 24.5 mpg in the Economy Test. (And that was with automatic transmission!)

The Rambler American 220 two-door (shown below) still carries the lowest price of any U.S. car. And now during his "Big Win Weeks" celebration, your American Motors/Rambler Dealer is pricing his Americans lower than ever.

"Big Win Weeks"
 now on at your American Motors/Rambler Dealer. Win a '66 car in his free drawing. Enter today!

Americans don't really come with Rally stripes. They just drive that way!
