Your gentle face and patient smile
With sadness we recall
You had a kindly word for each
And died beloved by all

The voice is mute and stilled
The heart,
That loved us well and true
Ah, bitter was the trial to part
From one so good as you.

You are not forgotten loved one
Nor will you ever be
As long as life and memory last
We will remember thee.

We miss you now, our hearts are sore,
As time goes by we miss you more,
Your loving smile, your gentle face,
No one can fill your vacant place.
