**DRAINFIELD SEPTIC TANK & CESSPOOL**

LIVE BACTERIA - ENZYME COMBINATION

**activator**

**ENZYME ACTIVATOR**

Reactivates Septic Tanks and renews drain fields. A pure strain of clinically grown bacteria and enzymes revitalizes the natural digestive process of the septic tank. It continues this activity beyond the tank, through the drain tile and into the drainfield, cleansing everything and renewing the vital "percolation" process.

**Why is Sealtest the buttermilk to buy?**

**Consistency is a reason why**

Sealtest Old Fashioned Flake Buttermilk delivers that old-time, fresh-churned flavor... glass after glass after glass. Here's buttermilk with a zest and tang and "bite" that you look for in buttermilk. And with Sealtest you get it every time.

That's the big difference in Sealtest Old Fashioned Flake Buttermilk. Goodness you can rely on... consistently.

**Sealtest**

...makes the difference!
