SELF-SERVICE, PRE-PACKAGED MEATS CAN BE A PROBLEM!

You can see the top side of the meat but not the bottom. So you wonder. The steak looks good, but is the bottom all bone and fat?

It's a problem... a problem we've given a lot of thought. We think we have the answer. We have a policy. We put the best side down. The side you don't see is guaranteed to be equal to or better than the side you can see.

Simple as A&P Effective. No more gamble. Fair and square. Sure behavior. We care.

Is this a good reason for shopping A & P? It's one of many.
