

**WMU & Brotherhood**

**Meeting Set For Tuesday**

Murphy First Baptist Church will be host to the 1968 Annual W.M.U. and Brotherhood Meet of the W.N.C. and West Liberty Associations on Tuesday at 5:00 p.m.

The theme "Unto Me" will be carried out in devotional thoughts by Rev. and Mrs. Hicks of the Murphy Church. Skits exemplifying the giving of the gospel beyond the four walls of the church will be presented by different churches.

The installing of new officers will be under the direction of Rev. and Mrs. Wells of the Andrews Baptist Church. Music will be led by Miss Katie Powers, Associational Music Director with special musical numbers including Texana's Missionaries Ladies Choir.

The speaker of the evening

will be Miss Kathryn Bullard of the State W.M.U. Office in Raleigh. She will be bringing anew the challenge Christ gave "to go disciple all nations," as she brings the new plan of work to be used in W.M.U. She will be helping us to see that we of our area must seize every opportunity to be good witnesses, using the ever-present Power available to gain the victory Christ promised.

An inspiring musical skit will be the closing meditation. Each church is urged to have Pastor, Sunbeams, G.A.'s, R. A.'s, Y.W.A.'s, W.M.S., and Brotherhood present. Honor groups will be recognized.

Everyone is asked to bring a meat and vegetable dish to add to the host church's drink and desert.

**Church News**

The Waynesville District executive committee of the Woman's Society of Christian Service met with president of local societies at First Methodist Church, Franklin, on April 9.

Mrs. R. K. Butler, district president, pointed out changes in the structure of the organization for the interim period 1968-70 following union with the Evangelical United Brethren Church.

Other officers presented points for study and action in their fields of work. Discussion centered around the theme of the Southeast Jurisdiction meeting in February, "Blow, Winds of God," and a report of that meeting was given by Mrs. Harold Wells of Murphy, the district's "local woman" representative. Focus on worship was achieved with a recording of "Blowing in the Wind" and a moving interpretation of the hymn "Breathe on men, Breath of God".

Following a break for lunch, specific assignments were made to local societies for the District Annual Meeting at Hinton Center, Hayesville, May 3, and for the Conference Annual Meeting at Lake Junaluska, June 11-13.

Tentative plans were made for a leadership development session on July 16 to be held in one of the Haywood sub-district churches and for a World Understanding Workshop with emphasis on South Africa, in September at Western Carolina University or at Lake Junaluska. Announcements were made of the School of Christian Mission at Pfeiffer College August 5-9 and the Conference Spiritual Life Retreats at Lake Junaluska October 13 and 19.

Members of the Franklin society served coffee and cookies as the women arrived and during the lunch period.

Ministers and educators call it "a privilege" to recommend Coach C. K. Gant, director of Lake Guntersville Ranch, to mothers and fathers of our area boys.

It has been my privilege to know Coach C. K. Gant for the period of three years. In the capacity of minister in this community I have been invited several times each summer to conduct afternoon devotional services for the sta and campers of Camp Ney-A-Hil (now Lake Guntersville Ranch). During 1967 I went five times to the camp for this purpose and have thus become well acquainted with the program and personnel there.

With wholehearted intention I recommend Mr. Gant and his attractive, capable wife to the continuing development and management of a camp of this type. My deepest reaction is one of simple gratitude that individuals of this caliber are engaged in the nurture of the body, mind, and spirit of the boys for whom they are responsible.
