The Murphy Bulldogs racked up their sixth Smoky Mountain Conference win by overcoming the Franklin Panthers 19-7 on the Bulldogs home field Friday night.

It has been seven years since the unbeaten and untied Bulldogs of 1961 won the conference title, but since the current edition of the Black and Gold whipped the Panthers, also unbeaten in conference play, they moved into the Number One position in the conference standings.

Three-Way Tie Exists In Football Contest

In the football contest last week nine contestants missed 4 games. If the tie-breaker was ever needed, this was the time. After checking the nine tie breakers, the judges decision was that the top three were tied for first, second and third places. As a result of this, three persons will be awarded \$4.44 each and 3 1/3 points towards the grand prize. In all the years that the Scout has been conducting the contest, this has never happened before. The three winners were: Jerry Sanders of Dunwoody, Ga.

Sanders was the only one of the nine that picked Syracuse over U.C.L.A. He also picked Tenn, to defeat Rice by a score of 28-14. Another winner was James Taylor of Marble. His tie breaker score was the same. The third winner was Walter Ensley of Andrews, N. C. Ensley picked Tenn. to defeat Rice 21-7. All three had a total point difference of 38.

Others coming close but missing out on the tie breaker were: Walter Cole of Murphy (Tenn. 23-Rice 10. Diff. 39 pt.) Mary Jane Mathis of Andrews (Tenn. 18- Rice 7. Diff. of 41 pts.) Hattie James of Murphy (Tenn. 24-Rice 14. Diff. 42 pts.) Mrs. Neil Sneed of Murphy (Tenn. 16-Rice 7 Diff. of 43 pts.) Jo Ann Matheson of Murphy (Tenn. 17-Rice 0: Diff. of 44 pts.)
