Murphy Garden Club Holds February Meeting

The February meeting of the Murphy Garden Club was held at the home of Mrs. Francis Bourne Jr., with Mrs. Margaret Gibbs as co-hostess on Thursday, February 27th. The president Mrs. Ruth Forsyth, opened the meeting with the Garden Club Collect.

A most instructive talk on Litterbugging was given by Miss Leila Hayes. We were reminded that this is a long range problem which has been with us for a long time and can probably only be solved through education. She did, however, offer several suggestions as to what can be done in the meantime to alleviate the situation.

Mrs. Bourne, Litterbug Chairman, then announced that the spring pick-up would be held April 16th. Announcement of the date will be in the newspapers and on the radio well in advance. Garden Club members will visit schools the week before pick-up, and the mayor will proclaim that week as "Clean-Up Week". Mrs. Mary Faye Brumby has been appointed in Mrs. Louise Fuller's place on the committee.

The minutes of the January meeting were read and approved.
