Robbinsville Defeats Bulldogs In First Game Of Season

The Robbinsville Black Knights scored a touchdown in the fourth quarter Friday night to defeat the Murphy Bulldogs 16 to 8 in a Smoky Mountain Conference battle.

Dale Walsh, Robbinsville halfback, scored both touchdowns on runs of 10 and 74 yards to lead the Black Knights to victory in the opening game for both teams. Robbinsville took advantage of the new two-point conversion rule after both scores.

Walsh launched the Black Knights to a 6 to 0 lead when he sprinted 74 yards in the first quarter. The two point conversion resulted in a 8 to 0 lead for Robbinsville.

The first break for the Bulldogs came just before half-time when Walsh attempted to return a punt

from his own end zone. Murphy halfback, Jeff Jackson, stopped Walsh in the end zone for a two-point safety. Robbinsville led at half-time 8 to 2.

The Bulldogs began to look like last year's championship team by tying the score in the third quarter on Jackson's three yard touchdown plunge. The score came after a 64 yard drive in which Jackson's fine running gained most of the yardage.

The remainder of the game was purely defensive until Walsh scored the winning touchdown on a ten yard romp with approximately four minutes left in the fourth quarter.

The Bulldogs face the Union County Panthers Friday night at Blairsville.

Andrews-Murphy Airport To Have Air Show October 5

One of the biggest and most thrilling air shows ever brought to our area is being planned for October 5 at the Andrews - Murphy Airport, as announced by Richard Parker of Andrews. The air show will be a part of the dedication ceremony for the newly paved 4300-foot runway.

The final phase of the remodeling is now underway with the lighting system

nearing completion, Parker said.

Sponsored by the Andrews Rescue Squad, the air show will feature at least three of the most renowned exhibition flyers in the country, one of which will be a woman.

"We feel that a woman flyer, which is not too common in our area, will add a lot of interest to the show," Parker said. "And the men flyers we have lined up are some of the best in the business."

There will also be a number of jumpers on hand. However, names of the performers are being withheld for the time being. They will be appearing in the Scout, along with photos of the craft to be used, in coming weeks.

Names of the officials who will be on hand for the dedication ceremonies will also be released in the near future by members of the Andrews Rescue Squad.

Andrews Man Shot

An Andrews man died early Wednesday enroute to the hospital and another was placed in the county jail at Murphy under a murder charge, according to Andrews Chief of Police, Milton Mashburn.

According to Mashburn, "Tabby" Moore was shot in the left side of the chest and stomach with a 12-gauge shotgun by Floyd Gray, also of Andrews.

Moore, an employee of Boring Chevrolet, was at work in the body shop there when Gray shot him through the doorway at a distance of 15-20 feet, Mashburn stated.

Gray was picked up by Mashburn and Officer James Conley a short distance from the scene of the shooting.

Reports say Moore and Gray were involved in a fight Tuesday night and that Gray had been drinking when the incident occurred.

Mashburn said the only comment from Gray upon being told that Moore had died was, "Well, he ought to die." Further investigations are being made.
