

## Visiting Teachers

Mrs. Helen Clark and Mrs. Courtney Eishey last week visited Cherokee County schools, speaking to local teachers of the new teaching methods used in the experimental

school they work in at Burlington. They are pictured with Mrs. Ruth Forsyth, left, supervisor, and Bill Hughes, principal, after they met with teachers at Murphy Elementary.

## Spaghetti Supper Scheduled

The Murphy Jaycettes are sponsoring a spaghetti supper on Thursday night of next week, March 18, at the Fellowship Hall of the United Methodist Church.

Proceeds will be used to send Miss Cherokee County, Linda McRae, to the Miss North Carolina pageant in June.

Advance tickets are available from any Jaycette and tickets will also be available at the door. Serving hours will be from 5:30 until 7 p.m.

## Minor Sings In Birmingham

Rob Minor, son of Mr. and Mrs. Bob Minor of Murphy, was one of the soloists in the Pastoral Episode, "The Shepherds of the Delectable Mountains" presented at Independent Presbyterian Church in Birmingham, Ala. Sunday afternoon.

Mr. and Mrs. Minor attended the Parent's Day activities at Sanford University in Birmingham over the weekend where he is a student.

## Clifton Gives Scissors To Hospital

District Memorial Hospital of Andrews has received a one year supply of scissors from Clifton Precision Plant of Murphy.

The scissors will be used in the operating room, delivery room and the emergency rooms. They are small and are especially useful for removing sutures and doing delicate dressings.

## PTA MEETING

The Murphy PTA will meet on Monday night at 7:30 in the lunchroom at the elementary school.

# Now there's a new, small Pontiac with a small-car price for small-car lovers.

Upper left: Ventura II Coupe with special Spring package and car order. Foreground: Ventura II Coupe (4-door Sedan also available).

Wouldn't you know it would be fun to drive, stingy on gas, quick to service and built to last.

Of course you would. We wouldn't build a small car unless we figured it would give you more of what you want a small car for.

Take that low price. Ventura II is a small car, so it has a low, small-car price. But it's what you get for that small price that makes Ventura II worth a close look.

**Ventura II is fun to drive.** It should be, it's from the Wide-Track people. Which means you get a smooth, comfortable, Wide-Track ride.

The handling's quick. There's a nifty 111-inch wheelbase for easy parking. And both the 250-cu.-in. six and available 307-cu.-in. V-8 respond beautifully in city traffic or on the expressway

**Ventura II is stingy with your gas money.** Both the standard six-cylinder engine and the V-8 you can order run beautifully on regular gas or the new low-lead and no-lead fuels. The carburetor on the six is an economical one-barrel, and the transmission for both six and V-8 is a practical 3-speed manual.

**Ventura II is quick to service.** If you're a do-it-yourselfer, you'll like fiddling around with the new Ventura II.

New twist-lock lamp sockets let you make changes in seconds.

The engine is uncomplicated, and there is plenty of engine-compartment space, especially with the six.

If you ever need to have somebody else work on your car—well, you'll like Ventura II, too. Both the standard six and available V-8 are tough, time-tested designs. Same goes for

transmissions. The standard 3-speed manual and the available 2-speed automatic, Turbo Hydra-matic or floor-mounted 3-speed are all rugged, dependable units.

**Ventura II is built to last.** There's nothing lightweight about this car. It's welded—not bolted—at hundreds of strategic points to help keep it tight and quiet.

The body is heavy-gauge steel. And it has double paneling in the deck lid, hood and doors. You could probably sum it up best with three little words. Body by Fisher.

So, come on. If you're a small-car lover, stop by your Pontiac dealer's today. Tell him you want to see the new Ventura II. It's the small car that gives you more of what you want a small car for.

Don't forget to buckle up for safety.

## Ventura II—It's Pure Pontiac!

## Tomorrow.

All your tomorrows. And each tomorrow has a different need. And each need something today doesn't know about. You can make tomorrow better. More special. How? Uncover today the help we can give you tomorrow. Know who can serve when you feel all alone. Whatever your needs become, learn who we are and learn what full service really means. Let's make tomorrow everything you want it to be. Let's make tomorrow together.

## Cancer Crusade Announced

The East Cherokee County Unit of The American Cancer Society, which includes Topton, Andrews, and Marble, has announced through the Unit President, Mrs. Earl Johnston, that the crusade will run through the month of April.

health is beautiful and that's why we urgently need volunteers for the American Cancer Society's 1971 educational and fund raising Crusade. We believe that people-to-people contact—folks alerting their relatives, neighbors and friends to

cancer's warning signals and helping to raise fighting funds—is part of the combination that will increasingly turn the tide against these dread diseases called cancer, Mrs. Johnston said.

"The other part is the dedication and skill of thousands of physicians and researchers searching for causes and better treatments. Those who give their time and talent this year will join hands with the more than 2 million other volunteers in thousands of American communities whose dedication has already helped save increasing numbers of lives. Every house or apartment must be visited in Crusade 1971, beginning on April 1. Every one with even a few hours to spare can help.

"Families must get the facts about cancer. One key part of the Crusade is distributing life-saving leaflets telling how you can protect yourself against cancer. Many cancer deaths are needless since the chances of a cure are good with early diagnosis. 1,500,000 Americans are alive today who were cured of cancer. We want to wipe out cancer in your lifetime and it's up to us to tell everyone we can reach that the regular health checkups and early diagnosis can save lives."

Everyone who thinks that health is beautiful is needed by The East Cherokee American Cancer Society Unit. (Topton, Andrews, Marble). You can also call 321-5387.

## Road Jobs

### Up For Bids

The State Highway Commission has released details of 34 road projects in 50 counties containing 668 miles on which it plans to ask for bids this month.

The announcement said that bids on the projects will be opened on March 23 in the Auditorium of the State Highway of the State Highway Commission Building at 10 a.m. to determine the low bidders.

Included among the projects is 20.65 miles of concrete binder, surface and bituminous seal coat for resurfacing six sections of primary roads in Clay and Cherokee counties.
