

MEMO:

to Andrews Telephone Subscribers

Andrews telephone subscribers beginning next Monday must dial the whole 7-digit number in placing calls inside the Andrews exchange.

Dialing a 1 and then the last four digits of a number, as has been done in the past, will tie up Direct Distance Dialing equipment now being installed.

Singing Lead

In Musical

Anthony Satterfield, a resident of Hayesville, has the lead in the musical, "The Gondoliers", to be produced on the Young Harris College campus, on April 16, 17 and 18. "The Gondoliers", written by Gilbert and Sullivan, is set in Venice in the year 1750 and is concerned with the succession to the throne of an empire called Barataria. The musical includes a number of amusing encounters and several cases of mistaken identity.

The musical should provide an evening's entertainment for all who wish to attend. Tickets will be on sale at the door.
