#### CHEERING SIGNS.

The Florida Times-Union interestingly suggests that if every ear of corn or head of wheat raised in the United States this year should contain one grain more than those of the last harvest, ear for ear and head for head, the country's grain supply and its wealth would be greatly increased, without additional acreage or labor. "Careful seed selection and scientific cultivation," the Times-Union adds, "would in time, bring about such a re-

### \$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by b 'lding up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fals to cure. Send for list of testi-

#### Health Restored by Eckman's Alterative

Glandular trouble, very frequently diagnosed by physicians as "Tuberculosis in the Glands," has been found to yield to Eckman's Alterative when other treatments did not bring relief. Eckman's Alterative is a medicine which during the past fifteen years has brought about many recoveries even in a number of supposed hopeless cases. Read this:— 257 Lauriston-St., Phila., Pa.

"Gentlemen: In March, 1909, my doctor pronounced my case "Tuberculosis in the Glands," and a number of operations in a hospital failed to benefit me. In the meantime a friend of mine advised Eckman's Alterative. The wounds in my neck were still open and in a frightful condition when I started to take it. After using two bottles I found I was improving, having gained weight, could eat and was able to sleep. I continued using it until I was well, which was in November, 1910. On November 11, 1910, I started to work, and since that time I have not lost one day's work through sickness. I highly recommend Eckman's Alterative to anyone who is suffering from Gland trouble."
