

GREAT MUSICAL TREAT

WAKE FOREST GLEE CLUB TO BE HEARD IN MESSENGER OPERA HOUSE ON MARCH 3RD.

There is no college glee club in the State comparable to that of Wake Forest College. There is no music quite so reminiscent, pure and delightful as the songs of college boys in concert. Hence a great treat is in store for all Goldsboro at the Messenger Opera House on the evening of March 3, when the Wake Forest Glee Club will be heard here.

Recently the Durham Herald had this to say of a recent appearance of the club in that city:

"All who heard the concert given by the Wake Forest glee club at the Y. M. C. A. last night were amply repaid for going out in the wet night, for the quality of entertainment offered by the college boys was of the very highest order.

The club carries seventeen men and it is about the best aggregation of male voices that has been heard in Durham in a long time. The orchestra also carries ten pieces and will make a very favorable comparison with the average professional orchestra in any North Carolina town. It is larger than most of the towns can muster.

Mr. H. M. Poteat is director of the club this year, and this young man also takes a very prominent part in the concert offered by the club. He has a fine voice that combines strength with sweetness. His vocal solo "The Bandolero," was heartily applauded and his encore very much enjoyed.

The piano solo by Mr. Rodewell was also very fine. This young man played the first and second Hungarian Rhapsody by Liszt, a piece of music that is not usually tried by the most accomplished and practiced musician. This young collegian played the difficult composition with an ease and expression worthy of the graduate of any conservatory in the land. It was a very fine piece of work.

The first part of the program consisted of songs and selections by the orchestra. The last part was a humorous cantata called "Grasshopper." It related in song the tragedy of a grasshopper who was devoured while sitting on a potato vine. A big turkey gobbler was the villain in the case.

D. D. D. In Hospitals; Standard Skin Cure

How many hospital patients, suffering the frightful itch, the raw scorching pain of skin disease, have been soothed to sleep by a soothing fluid washed in by the nurse's hands?
That fluid is the famous D. D. D. prescription for eczema.
THE SUPERVISING NURSE of one of our prominent Catholic institutions (name of nurse and institute on application), writes regarding a patient: "The disease had eaten her eyebrows away. Her nose and lips had become distorted. Since the use of D. D. D. her eyebrows are growing, her nose and face have assumed their natural expression."
How many eczema sufferers are paying their doctors for regular treatment and are being treated with this same soothing, healing fluid?
DR. GEO. T. RICKARDSON frankly

writes "D. D. D. is superior to anything I have ever found. Soft and soothing, yet a powerful agent."
To do the work, D. D. D. Prescription must be applied according to directions given in the pamphlet around every bottle. Follow these directions—and see!
And it certainly takes away the itch at once—the moment the liquid is applied. The skin is soothed—calmed—so thoroughly refreshed—delightfully cooled.
All druggists of standing have the famous specific as well as the efficient D. D. D. Skin Soap.
But we are so confident of the merits of this prescription that we will refund the purchase price of the first full size bottle if it fails to reach your case. You alone are to judge.
