TROOPS NOT TO BE SENT TO COLORADO

Conference Held at White House Last Night

TROUBLE STILL CONTINUES

Fighting Is Reported From Different Places in Strike Zone—Strikers Take Mine and Build Jags Are Burned.

Washington, April 27.—After a conference tonight at the White House between the President, Secretary Garrison and Senator Thompson, Secretary Garrison announced that no orders sending Federal troops into Colorado would be issued tonight. He said the situation would be taken up again tomorrow morning.

The President had before him at the conference a pile of telegrams from representatives of mine owners and miners. State authorities and private citizens in Colorado, practically all of them appealing for Federal troops.

Officials at the White House indicated that a final report from Representative Foster who interviewed the owners of the mines in New York today was desired before the President reached a decision. Colorado members of Congress, however, expected that the orders for the movement of troops probably from Fort Russell would go out tomorrow morning.

It is understood that there has been a doubt in the President's mind as to his power to send Federal troops into a State merely on the request of the Governor. In this connection Section 4 of Article 4 of the Constitution has been closely examined at the White House. This provision is as follows:

"The United States shall guarantee to every State in this Union Republican form of government and shall protect each of them against invasion; and on application of the Legislature or of the executive (when the Legislature cannot be convened) against domestic violence."

Since the Colorado Legislature has been summoned in special session for May 4th there has been a disposition on the part of the President to await action by the Legislature. It is said, however, that he has not finally reached this view and may consult with the attorney general before acting tomorrow.

After tonight's conference it was said word had been received from Representative Foster in New York that John D. Rockefeller, Jr., had flatly rejected all offers of arbitration with the mine strikers.

Miss Winnie Durand, of this city who has been for several weeks an operative patient in a Baltimore Hospital, has returned home convalescent, the Argus is glad to announce.

FLOODS DO GREAT DAMAGE

FIRST LOSS OF LIFE REPORTED YESTERDAY FROM TEXAS— RAIN CONTINUES.

Dallas, Texas, April 27.—First toll in life was taken today by the XDG in life was taken late today by the Spring floods gathering generally over Texas, as the result of three days' heavy rain.

Thomas McIntyre, 31 years old, of Dallas, drowned when he slipped and fell into mill creek, ordinarily a small stream, but now greatly swollen.

Predictions tonight by government weather bureaus for continued rain caused warnings to whom have already moved to higher ground. At Waco, Dallas and Waxahatchie today, rescuers were forced to go to the relief of persons caught in their houses by rising water. Flood warnings were issued by the fish and game department for the Olmos Valley, near San Antonio.

From two to six inches of rain was reported over the entire northern part of the State with varying amounts in South Texas.

Weakened trestles and washouts have interrupted railroad schedules.

WEATHER FORECAST.

Fair east; unsettled west portion tonight and Wednesday, probably local showers; cooler Wednesday in west portion; gentle shifting winds.

WELL HEELED PEOPLE

sometimes slip up. The moral of this is that there are many in the shoe trade, as well as others, who would be strengthened by some of our insurance.

TODAY'S WAR? NEWS

Official Information Reaches Washington That Huerta Has Agreed to Submit to Mediation.

Washington, April 28.—It is now asserted that no Americans have been killed nor have any been in danger of their lives in Mexico City, and only one American is under arrest, for personal offense.

All foreigners who may desire to do so, will be permitted to leave the country unmolested, and they will be assisted as far as practicable and as speedily as possible.

Admiral Mayo reports from Tampico that the federals are still active in their overtures to the constitutionalists to combine with them in opposing and driving the United States troops from Mexican soil. These overtures are going on in the very midst of the daily clashes at arms between the opposing factions.

The Spanish Minister had an interview with Secretary Bryan today in which he stated to our Secretary that he was authorized to say that Gen. Huerta would consent to submit to mediation.

SYRIANS VOLUNTEER

THE SERVICES OF TWO HUNDRED THOUSAND TENDERED PRESIDENT WILSON.

The Al-Hoda, the official Syrian newspaper of this country, published from New York and printed in Syria by Mr. N. A. Mokarzel is editor, publishes in its current issue a correspondence between the president of the Lebanon League of Progress, the fraternal Syrian organization of this country, and President Wilson, the latter acknowledging with thanks and appreciation, the tender by the Lebanon League president of the ready services of two hundred thousand Syrians in the United States, who will go to the battle line, if necessary for America's honor and rights.

Mr. Geo. Farfour, one of the Syrian merchants of this city, and who is a property holder and citizen of Goldsboro, is in receipt of a copy of the Al-Hoda containing this correspondence, and he with the other Syrians of Goldsboro stand ready to make their League president's proffer good, so far as they are concerned.

IPSE DIXIT.

The primary for the nomination of a man to represent this district in Congress, is only a short time hence. Hon. Charles R. Thomas, the original candidate for this office, is gaining new strength each day and there is not the slightest doubt but that he will win. His enemies have made every effort to put him out of the running, but he has triumphed over them so far and we believe that he will continue to defeat all of their schemes, for the Democratic voters know that he is their friend and they also want to send a man to Congress who can do things.—New Bern Journal.

Really! Well, although we are "out of the running," we thought any one of the candidates—even including the "original"—"can do things;" but it seems from Mr. Thomas expressed opinion of himself and his expressed opinion of the other gentlemen in the race for the congressional nomination that he is the only pebble. It is well that some one thinks so, even though that one be Mr. Thomas himself.—Ed Argus.

EVANGELISTIC MEETINGS IN ELM STREET CHURCH.

Monday night's service in Elm Street church reached a high water mark in general interest and spiritual power. The reception service was indeed inspiring. A class of eleven persons were received into full connection with the church and others have expressed the desire to unite with the church and will be received at a later service.

A surprisingly large crowd on a Monday night were in attendance, and greatly enjoyed the convincing, lucid well delivered, eloquent and inspiring sermon by Rev. J. A. Dalley, the text being "Prepare to Meet Thy God." Deep and thoughtful seriousness pervaded the whole service and at the close of the sermon many responded to the invitation and knelt at the altar for prayer.

These meetings have accomplished untold good and interest in them continues to deepen. Brother Dalley will speak tonight on the theme "The Heavenly Highway."

A great congregation is expected to be out to hear this gifted man of God. Come out and worship with us. PASTOR.

HEARING ON TOLL REPEAL FINISHED

Canals Committee Prepares Report for Senate

MAY AMEND THE BILL

Argument on the Floor of the Senate Expected to Last for Weeks—Committee in Executive Session Two Days.

Washington, April 27.—Hearings on the bill to repeal the free tolls provision of the Panama canal act were closed tonight and the Senate canals committee tomorrow will begin consideration in executive session of a report for the Senate. The committee was said tonight to be evenly divided for and against repeal.

Chairman O'Gorman thought the executive deliberations might last two days, but it seemed practically certain that a majority will favor some sort of report so that the measure may be brought before the open Senate this week.

Senator Simmons, who has been prominent in the fight for repeal, said the committee might report the bill with an amendment which would declare in substance that the United States waives no rights over the canal.

Others suggested that, owing to the division in the committee, a report without any recommendation whatever could be looked for. In any case the big fight on repeal will be made on the Senate floor where the debate is expected to last several weeks.

The hearings of the committee began April 9th and continued without interruption until tonight. Scores of witnesses were heard and many arguments, economic and legal, were presented.

Joseph N. Teal, of Portland, Ore., on behalf of the Portland chamber of commerce and other Pacific coast trade organizations, protested against the repeal. R. H. Phillips, of Kensington, Md., expressed the opinion that the proper Yankee way for the Democrats to get out of a bad hole in the Republicans had placed them in was to exempt all ships passing through the canal from one coast of North or South America, to the other coast.

F. A. Jones, member of the Arizona State Corporation Commission, said that the inter-mountain country was just as much interested in free tolls as the Pacific coast. President Dedson, of the Pensacola chamber of commerce, favored repeal of tolls exemption.

Mr. Gardner, formerly of Sauston township, but now a resident, with his family, of this city, announces his candidacy for the Democratic nomination for sheriff, at the hands of the County Convention.

Mr. Gardner stood for the nomination four years ago, when sheriff Edwards was the successful aspirant and he had the loyal support of many friends then, who with him yielded gracefully to defeat at that time, and have been loyal ever since.

Mr. Gardner's announcement will be read with interest, and it means that County politics is beginning to get lively.

All For Goldsboro

An Alliance That Should Not Fail To Work Out Great Things For The City

THE JUNIOR CHAMBER OF COMMERCE, OF GOLDSBORO, WILL HAVE FINE OPPORTUNITY TO PROVE THEIR METTLE AND EFFICIENCY.

The Womens Club of Goldsboro and the Chamber of Commerce of Goldsboro have united their forces in behalf of an Annual Civic Day on May 7th.

The program for the day will consist of a great parade of floats and the opening of the huge Chautauqua.

The President of the Junior Chamber of Commerce of Goldsboro will appoint committees among the Junior members to call personally upon the business men and manufacturers of the city and request them to prepare floats for the grand parade.

Not only will this be a splendid innovation for Goldsboro, but a good opportunity for the local merchants and manufacturers to advertise their business.

A great many visitors may be expected here on the opening day of the Chautauqua from the surrounding country and it will be a particularly fortunate arrangement to combine these two splendid features.

Individuals who wish to join the parade will be made welcome and their participation is desired.

The Womens Club and the Chamber of Commerce urge a cordial reception to these boys when they call, and ask that they be given a courteous and encouraging welcome.

It is believed that a floats parade could be made an annual affair in Goldsboro and draw from the surrounding country a large attendance. This would result in material benefit to the local business and afford a splendid opportunity for those who take part in the parade to bring their business to the favorable attention of the visitors and their town's people as well. It is an opportunity to do something to develop the local trade and to make Goldsboro popular and should not be overlooked.

Business trucks, automobiles, etc., will be in the line of parade. The boys will call upon the business men before the close of this week to ask if they wish to take part in the parade, and it is hoped that everyone who should take part will not only turn out a float but try to make it the most distinctive and representative in the entire parade.

The boys of the Junior Chamber have joined together for the uplift of their city and to identify themselves with its interests and they have a right to expect the support of every one of the older members of the community.

Skin Soothed and Healed by D. D. D.

Itching skin, ugly eruptions, scaly scalp, eczema and its allied diseases all yield instantly to the soothing influence of the mild, simple wash, the D. D. D. Prescription for Eczema.

From our experience with skin sufferers, we are convinced that skin disease is caused by germs beneath the outer skin that spread and multiply until they become a mass of gnawing animals. D. D. D., a penetrating liquid, destroys these germs and washes them away, thereby relieving that awful itch immediately. A 50c bottle will prove this much to you.

We are so confident that D. D. D. can reach all cases, that we offer you the first full size bottle on the guarantee that if it fails to do as we say, we will refund the purchase price. You alone to judge. D. D. D. Soap aids in keeping the skin pure; ask us.

FALLING CREEK ITEMS.

Miss Margaret Cox, who has been teaching at Calypso, has completed her work and is now at home.

We are glad that Mrs. Mag Benton who has been seriously ill, is now recovering.

Several young people of the community attended the commencement entertainment at Park Hill school house last Friday night.

The ladies of the school faculty were very pleasantly entertained last Thursday night at the home of Mr. C. A. Lambert.

Mrs. W. H. Smith has returned home after a week's visit with friends in Goldsboro.

Last Saturday afternoon Rosewood was defeated here in a game of baseball—10 to 3—by Falling Creek team. Next Saturday Falling Creek will play with Goldsboro.

On the banks of the Neuse river not far distant, there was a fish-fry given last Saturday night. Several young people were present.

The following were Sunday visitors from out of the community: Miss Nettie Thompson and Mr. Lewis Herrick, of New Hope; Mrs. E. E. Sutton, Little Miss Edwina and Master Morris Sutton of Calypso; Messrs. Wildon Gurley, Alvin Edwards, Preston and Aaron Johnson, Archie Smith, Bennie Bass

of Rosewood; Mrs. T. I. Sutton, of Goldsboro.

Mr. Chas. A. Taylor died April 23, 1914, at his home following a brief illness of pneumonia. He was buried Wednesday afternoon at 4:30 in the family burying ground. He leaves a wife, seven children, an aged father and mother, and three brothers. Much sympathy is felt for the bereaved family.

Judging from Huerta's pictures, the old gentleman never is in a pleasant frame of mind. Photographers ought to try to catch him sometime just after he has succeeded in borrowing more money.

MOST WOMEN PREFER TO PLAN AND DO THEIR OWN SEWING

The task of operating a sewing machine by foot soon grows wearisome—sometimes dangerous—even to robust women.

Small, but strong electric motors may now be placed on any sewing machine with a few simple attachments. A light pressure of the foot controls the power and the speed.

The cost of operation about equals that of burning an ordinary 16 candle-power incandescent lamp the same length of time.

The sewing is done with more than twice the rapidity of foot power.

Transform your sewing burden into an easy, swift and pleasant occupation.

Ask our new business department to bring a SEWING MACHINE MOTOR to your home and place it on trial, without obligation on your part.
