The Redpath Chautauqua program from day to day has been reported in these columns, and while, in the rush that we have fallen short of giving ocean roar of chorus and instruments of varied reportorial duties, we fee' every feature of the splendid offerings commensurate review and merited endorsement, we have felt that these however, have not suffered any serious loss at our hands, for the whole community have been out to enjoy them and will hold them in pleasing and ele vating remembrance through the coming years, for, indeed, has nothing so educating and refining, so uplifting and uniting, ever before been vouchsafed uniting, ever before been vouchsafed this till now, when we are over lorty.

Guadalope, which is a strategic point our community-life as the Redpath Such music is not for the young. It on the Mayican Railway entering the brate what is known as "the Judgen sengers in flights." Chautauqua has proved.

The offering yesterday afternoon and again last night was Bohumir Kryl and his Band and the Denton Grand Opera Company: and surely were they at their best-especially last night. Perhaps they caught additional inspiration ence, and, indeed, they seemed to, and life looks when we are forty-five. The watching the American lines. from their splendid responsive audiso appreciative were both singers and mystery and labyrinthine dimness of A rumor has been current in the band of their generous reception here the universe come with years. And capital that in case Villa drives the by an audience the finest the Southand therefore the world-can afford that they responded most graciously to encores, Prof. Kryl giving seven encores successively under one number This is unprecedented, and nothing sweet. could be more complimentary on his part to an audience.

And now what shall we say of it all! "Oh that we were the viewless spirit" of one of those grand symphonies of last night, that we might just fly away had risen from the dust of centuries from this physical task-and keep on flying. But, alas, we must to our work no matter how we feel! But we do feel. The echo of the whole grand revel is with us as we write. We could cr. at the least suggestion. We have had a musical debauch. Our hand trembles: we suppose we are having our musica! katzenjammer "the morn ing after." Were you there last night? But of course you were-everybody was there. Do you feel as we do?

Yes, we have been with Bohumir Kryl and his band. We have discovered the bandmaster of the world-right world! here in Goldsboro; for Kryl was at his best last night. He showed it-he through infinite ragtime and senti- who has be a spending some days here proved it; and we feel as Columbus mental airs will applaud when the band at Chautauqua with Mrs. McElwee SEE HIM-DON'T FAIL. IT MAY DO must have felt when he discovered plays the Southern classic. America. Kryl the Titan has found the open door to our soul, and he has ference whether people are from Dixieswept through us like a storm, and
