APPALLING LOSS OF LIFE.

The appalling loss of life by the sinking of the steamship Empress of Ireland in the St. Lawrence river has startled the world. In 1912 occurred the Titanic disaster in which 1,500 persons perished. That was the most terrible record in the history of shipwrecks.

In this latest disaster more than 900 lives were lost, which causes it to rank third or fourth in point of loss of life in marine catastrophes. The British government and the United States government both made searching investigations into the Titanic disaster with a view of fixing the blame and safeguarding life on the sea. If anything was calculated to make the officers and inspectors of great steamers more careful it was

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it.

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlasting tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for 2-cent instructions on your case and 64-page book, "Home Treatments for Women," in plain wrapper. N. G. 184

Chaining themselves together does not necessarily mean that militant suffragettes are attached to each other.

A West Virginia "convert" was not content with "hitting the sawdust trail," but also wanted to hit Billy Sunday.

A Pennsylvania war veteran has erected his own monument and thus made sure that his name will be handed down to posterity. A few minutes spent in the cannon's mouth doesn't always win immortality.

Malaria or Chills & Fever

Prescription No. 666 is prepared especially for MALARIA or CHILLS & FEVER. Five or six doses will break any case, and if taken then as a tonic the Fever will not return. It acts on the liver better than Calomel and does not gripe or sicken. 25c

A doctor recently diagnosed a patient's illness and prescribed for him by the aid of a Marconi apparatus while the patient was at least 100 miles away. While he was about it, he could have sent in his bill, too.

NOTICE.

North Carolina, Wayne County. Whereas, Ed. Bunn and wife, Esther Bunn executed a certain mortgage deed to J. M. Mitchell, bearing date 4th of January, 1911, and Recorded in the office of the Register of Deeds of Wayne County in Book 105, page 177, and:

Whereas, default has been made in the payment of the indebtedness therein secured, the undersigned, under and by virtue of the power of sale contained in said mortgage deed, will at 12 o'clock, M. Saturday, June 20th, expose for sale, for cash, to the highest bidder, at the Court House door in Goldsboro, the land described in the mortgage deed as follows, viz:—

"Beginning at a stake, George Holt's corner, on the W. & W. Railroad bounds and runs eastward with said Holt's line 195 feet to a stake, then runs Northward 58 feet to Charles Grainger's line, then Westward with said Grainger's line 195 feet to the Railroad bounds, then Southward 85 feet to the beginning at George Holt's corner.

the fate of the Titanic. In the St. Lawrence river disaster blame doubtless attaches somewhere. According to the latest report the Empress of Ireland was lying to, waiting for the fog to lift, when the Danish collier crashed into her bow on. There should be an early probe.

Senator Burton, one of the American delegates to the London safety-at-sea convention, possibly located the cause when he said: "The hull of the Empress of Ireland must have been a mere shell for the ship to have gone down in ten minutes."

The senator further expressed the opinion that "if the new safety treaty had been in effect the hulls' classification clause probably would have compelled the owners of the Empress to have reconstructed her."

It is to be hoped that no further time will be lost in consummating the treaty. It is still before the Senate foreign relations sub-committee.

The heart of America is stirred and the sympathy of all our people goes out to those who are bereft. If a relief fund is needed, and it probably will be, the people of the United States will contribute generously.

A Hint for Coming Maternity

In a little book designed for expectant mothers more complete instruction is given in the use of "Mother's Friend." This is an external embrocation applied to the abdominal muscles for the purpose of reducing the strain on ligaments, cords and tendons.

In thus bringing relief and avoiding pain great good is accomplished. It serves to ease the mind, indirectly has a most beneficial effect upon the nervous system and thousands of women have delightedly told how they were free of nausea, had no morning sickness and went through the ordeal with most remarkable success. "Mother's Friend" has been growing in popular favor for more than forty years. In almost every community are women who used it themselves, their daughters have used it and they certainly must know what a blessing it is when they recommend it so warmly. Strictly an external application it has no other effect than to ease the muscles, cords, tendons and ligaments involved, hence is perfectly safe to use by all women. It is used very successfully to prevent caking of breasts.

"Mother's Friend" is prepared in the laboratory of Bradford Regulator Co., 404 Lamar Bldg., Atlanta, Ga.

It has been predicted that Americans will be able to call up Paris next year over the telephone. However, talking to Paris could never be half so delightful as being there.

In saying that he will pitch for the team that offers him the most money, a certain famous "slab artist" shows that he takes strictly mercenary view of baseball.

In declaring that love is a mystery, Secretary Bryan sensibly impressed a graduating class of girls with the depth of his wisdom.

"DEAFNESS CANNOT BE CURED" by local applications; as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Becker's declaration that he feels sorry for himself will be universally accepted as the truth.

The Quickest, Simplest Cough Cure
Easily and Cheaply Made at Home. Saves You \$2.

This recipe makes a pint of cough syrup—enough to last a family a long time. You couldn't buy as much or as good cough syrup for \$2.50.

Simple as it is, it gives almost instant relief and usually stops the most obstinate cough in 24 hours. This is partly due to the fact that it is slightly laxative, stimulates the appetite and has an excellent tonic effect. It is pleasant to take—children like it. An excellent remedy, too, for whooping cough, croup, sore lungs, asthma, throat troubles, etc.

Mix one pint of granulated sugar with ½ pint of warm water, and stir for 2 minutes. Put 2½ ounces of Pinex (fifty cents' worth) in a pint bottle, and add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

Pinex is one of the oldest and best known remedial agents for the throat membranes. Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in gualic acid and all the other natural healing elements. Other preparations will not work in this formula.

The prompt results from this recipe have endeared it to thousands of households in the United States and Canada, which explains why the plan has been imitated often, but never successfully.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
