**PRINCIPLE PREVAILS.**

The Senate's decisive vote on the canal tolls bill is to be welcomed, first of all, as a redemption of the country's international honor and obligation. It is welcomed, too, as a victory for Democratic principle and leadership, as a pledge that the party is still a defender of common rights and a foe of special privilege.

The tolls issue has been before Congress since early March, when President Wilson urged in a special message that the provision of the Canal act which exempted American coastwise shipping from payment of tolls be repealed, for the reason that such exemption was a mistaken economic policy and was also in contravention of our treaty with Great Britain. A bill to this effect passed the House on March the thirty-first, after stormy debate; it passed by an overwhelming majority, proving more clearly than any other vote of the session the strength of the Administration and the prestige of the President's leadership. Now the Senate has confirmed the

action of the House. The bill has been amended, to be sure, but its original and essential purpose stands unimpaired. It abolishes the subsidy to the coastwise shipping trust and it brings the policy of our Government squarely within the requirements of the Hay-Pauncefote treaty.

The amendment simply asserts that the passage of the act shall not be construed as a waiver or relinquishment of any right the United States may have under the treaty with Great Britain, nor as affecting any right of the United States "with respect to sovereignty over, or the ownership, control and management of the canal." From such a declaration, no one can reasonably dissent, for, it merely gives formal expression to what has always been tacitly understood. The amendment was fought to the last inch by the advocates of tolls exemption. Evidently, then, it is not a concession to the jingo and ship subsidists.

The bill as finally approved by the Senate will be accepted by the House without parley or delay. The outcome of this hotly contested issue is cause for high satisfaction to the American people, and is a distinctive victory for the Wilson administration.

**EX-ZEMA-FO**  
Last Day of Free Offer to Skin Sufferers

THIS is the last day of this Free Offer. If you have held off, act now, for this announcement will never appear again in this locality. No matter what skin disorder you have—no matter whether it is merely a slight eruption or a stubborn case of eczema, you owe it to yourself to accept this passing opportunity.

Ex-Zema-Fo is a colorless, odorless liquid. It will not stain your clothing—it is as clean to use as water. For years this famous remedy has been sold in all parts of the country. And it has always been sold with a written guarantee. Yet we seldom have a "come-back."

On the contrary, we daily receive letters from sufferers who had tried everything else without avail and who have been cured of the worst forms of eczema and other skin afflictions even more serious. That is why we dare make this offer, we know that Ex-Zema-Fo will do for you what it has done for thousands of others. Mail the coupon now—it's your last chance.

Old John Lind will find it quiet in Minnesota following the Mexican activity.

The Progressives are at last realizing that Boefler Perkins may be a wolf in sheep's clothing.

**Men Pay Homage to Mother's Friend**

"I am not surprised to observe the number of men who come into the store to purchase 'Mother's Friend,'" remarked a leading druggist.

The expectant mother if she hasn't heard of this splendid embrocation is probably not reading the papers to much extent. And if she does it is a happy thought to send her to the drug store. "Mother's Friend" is applied externally over the abdominal muscles.

Congress will proceed to go on record as to what it calls a long time between drinks.

The fact that the heat is general throughout the country doesn't make it cooler here.

**DEAFNESS CANNOT BE CURED**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
