A NEW DEPARTURE.

Congress has appropriated a hundred thousand dollars to provide for commercial attaches to the Consular Service. The amount is pitifully small in proportion to the needs and opportunities involved, but it marks a step in the right direction and doubtless will lead to a more liberal policy. The United States is awakening to the importance of systematic effort for the extension and development of its foreign trade, a field for the enterprise in which heretofore we have lagged far behind other nations.

Under the recent appropriation, the Secretary of Commerce is authorized to appoint, after due examination, fourteen commercial attaches, or "national drummers" as they have been called, to be stationed at London, Berlin, Paris, Vienna, Buenos Ayres, Tokio, Peking, Lima, St. Petersburg, Rio de Janeiro, Santiago, Rome, Johannesburg and Melbourne. Their salaries will range from five thousand to four thousand dollars, according to their stations, and each will be provided with a clerk. They will do valuable service in investigating trade conditions and opportunities, in furnishing complete reports in this regard, and in promoting the country's commercial interests abroad.

In time no doubt the number of at-

**FAMILY AVOIDS
SERIOUS SICKNESS**
By Being Constantly Supplied With
Theodore's Black-Draught.

McDani, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theodore's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Theodore's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

**Baby of Future
is Considered**

Much thought has been given in late years to the subject of maternity. In the cities there are maternity hospitals equipped with modern methods. But most women prefer their own homes and in the towns and villages must prefer them. And since this is true, we know from the great many splendid letters written on the subject that our "Mother's Friend" is a great help to expectant mothers. They write of the wonderful relief, how it seemed to allow the muscles to expand without undue strain and what a splendid influence it was on the nervous system. Such help as "Mother's Friend" and the broader knowledge of them should have a helpful influence upon babies of the future. Science says that an infant derives its sense and builds its character from cutaneous impressions. And a tranquil mother certainly will transmit a more beautiful influence than if she is extremely nervous from undue pain. This is what a host of women believe who used "Mother's Friend."

These points are more thoroughly explained in a little book mailed free. "Mother's Friend" is sold in all drug stores. Write for book. Address: Goldsboro, N. C. 215 South Main Street.

taches will be increased, for under the present plan only four are assigned to Latin American posts, and only two to the Orient, although the commercial opportunities awaiting development in those regions are enormous. It is distinctly gratifying, however, that the Government has taken this forward step, and that private interests in the United States are preparing to do on their own account what the merchants and manufacturers of the Old World has been going with rich and far-reaching results. If we are to reap our due share of Latin American trade, we must employ modern methods of enterprise.

**How to Make
Better Cough Syrup than
You Can Buy**

A full pint of cough syrup—as much as you could buy for \$2.50—can easily be made at home. You will find nothing that takes hold of an obstinate cough more quickly, usually ending it inside of 24 hours. Excellent, too, for croup, whooping cough, sore lungs, asthma, hoarseness and other throat troubles.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 1/4 ounce of Pinex (fifty cents' worth) in a pint bottle, then add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

This is just laxative enough to help cure a cough. Also stimulates the appetite, which is usually upset by a cough. The taste is pleasant.

The effect of pine and sugar syrup on the inflamed membrane is well known. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in quaaloo and all the natural healing pine elements. Other preparations will not work in this formula.

The Pinex and Sugar Syrup recipe is now used by thousands of housewives throughout the United States and Canada. The plan has been imitated, but the old successful formula has never been equaled.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

It became evident today that the first concern of the administration is for American financial institutions and that questions of foreign exchange and international finance are to be relegated to second place.

**Words of Praise
For Mayr's Wonderful
Stomach Remedy**

"How thankful we are to you for getting a hold of your wonderful Remedy. My wife could not have had but a short time to live if she had not taken your Wonderful Remedy when she did. One more of those paroxysms of colic she was having would have killed her without a doubt. Now she is free from all pain, free from heart trouble and free from that disturbing Neuralgia—all the result of five treatments—and now she is able to eat anything she wants and her appetite is good and before taking your medicine she had no appetite and when she ate anything she would suffer death for so doing and could not sleep at night; since taking your wonderful medicine she sleeps well all night."

T. A. Neill, Roanoke, Texas.

Your advice better convince you more of the value of your wonderful Remedy. Sufferers should try one dose of this Remedy—no dose should convince them that they can be restored to health. Nearly all Stomach Ailments are caused by the closing of the intestinal tract with mucous and catarrhal secretions resulting in poisonous fluids into the Stomach and otherwise deranging the digestive system. Mayr's Wonderful Stomach Remedy gently removes these secretions without surgical operation and puts an end to Colic attacks, Gases in the Stomach and Intestines and all of the usual symptoms of Stomach, Liver and Intestinal Ailments. Ask your druggist about Mayr's Wonderful Stomach Remedy or send to Geo. H. Mayr, Mfg. Chemist, 154 Whiting St., Chicago, Ill., for free booklet on Stomach Ailments and many grateful letters from people who have been restored.

NOT SO STRANGE AFTER ALL.

You may think it strange that so many people are cured of stomach trouble by Chamberlain's Tablets. You would not, however, if you should give them a trial. They strengthen and invigorate the stomach and enable it to perform its functions naturally. Mrs. Rosie Rish, Wabash, Ind., writes: "Nothing did me the least good until I began using Chamberlain's Tablets. It is decidedly the best medicine for stomach trouble I have ever used." There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

THE TWENTY YEAR TEST.
"Some twenty years ago I used Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Geo. W. Brock, publisher of the Enterprise, Aberdeen, Md. THE CASE OF L. L. CANTELOU.
The case of L. L. Cantelou, Clarendon, Texas, is similar to that of many others who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says, "After trying a doctor for several months, and using different kinds of medicine for my wife who had been troubled with severe bowel complaint for several months, I bought a 25c. bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using the second bottle she was entirely cured." For sale by all dealers.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 1/4 ounce of Pinex (fifty cents' worth) in a pint bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. Usually ends a deep seated cough inside of 24 hours. Splendid, too, for whooping cough, croup, chest pains, bronchitis and other throat troubles. It stimulates the appetite and is slightly laxative, which helps ease a cough.

This recipe makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasantly.

TO HAVE PRETTY HAIR.

If your hair is not as soft and pretty, or as fresh and full as that of some friend, do as she does—give it daily attention, just the same care you would give a plant to make it healthy and beautiful. Luxuriant hair—soft, fluffy, thick and lustrous—is really a matter of care. If it is too thin, make it grow. If it is too dry and brittle, soften it up—lubricate it. If you have dandruff it is because the scalp is too dry and flakes off.

Parisiian Sage, an inexpensive tonic, which you can get from any druggist, or from J. H. Emil & Son, is just what you need—it softens the scalp, nourishes the hair roots, immediately removes dandruff, and makes the hair fluffy, lustrous and abundant. Parisiian Sage takes away the dryness, stops itching head, makes the hair twice as abundant and beautifies it until it is soft and lustrous.

By the use of this helpful tonic any woman can easily make her hair fluffy, soft and pretty.
