GOVERNORS TO OPEN CONFERENCE TODAY

Thirty-Six Governors, Former Governors and Governors-Elect Expected to Be Present—Blease, Stuart and Rye Attend.

Madison, Wis., Nov. 9.—Thirty-six Governors, former Governors and Governors-elect are expected to attend the opening here tomorrow of the Seventh Annual Governors' Conference, which for five days will suggest and consider means of improving conditions within States and of simplifying relations between States.

Conservation of natural resources will be the dominating subject considered with special reference to State control.

Uniformity of State laws in connection with extradition and with fixing regular instances to be met by foreign corporations doing business in a State are topics.

The question of how, by uniform laws, to compel corporations to comply with child labor laws and health and sanitation provisions without discouraging business, according to Miles C. Riley, secretary of the conference, is one of the most important problems ever brought before the Governors.

Among the Governors who will attend are Cole L. Blease, South Carolina, and Henry C. Stuart, Virginia.

Among the Governors-elect is Thos. C. Rye, Tennessee.

GRADUATING RECEPTION.

The nurses of the Spicer Sanatorium will give a reception tomorrow, Wednesday, evening from 8:30 to 10 o'clock, at the Sanatorium in honor of Miss Minnie Somers Savage, the first nurse to graduate from that institution.

This evening Dr. Wms. Spicer will entertain at dinner, at the Sanatorium the physicians attending the conference of the Fourth District Medical Society, in session here, in the rooms of the Goldsboro Chamber of Commerce this afternoon.

KRYL AND HIS DAUGHTERS.

Opening Attraction of The Lyceum Course in Goldsboro.

The first number of the Redpath Chautauqua series of entertainments will be given on November 21, instead of the 27th, as heretofore announced. Mr. Kryl, so pleasantly remembered from last spring's performance, will appear on that date with his two talented daughters. Their recital will be given in the auditorium of the new High School.

Season tickets are now on sale. The price for the four entertainments is \$1.50. It will pay to secure one of these season tickets instead of individual tickets to the separate entertainments. Every one of the series will be well worth attending.

NINE OF THE AMENDMENTS APPEAR TO BE SAFE

According to Unofficial Returns From 65 of 100 Counties Only Tax Amendment is in Doubt.

Raleigh, N. C., Nov. 5.—Estimated returns from 65 of the 100 counties in North Carolina indicate that nine of the ten constitutional amendments have carried, with the Tax amendment, against which the greatest opposition had been directed, in doubt. Two-thirds of the counties heard from gave the amendments, excepting that on taxation, majorities, but the figures were mainly estimates.

J. W. Bailey, chairman of the campaign committee which sought to secure the adoption of the amendments, gave out a statement tonight in which he claimed that all the amendments were carried.

Raleigh, N. C., Nov. 4.—Democratic State Chairman Thomas D. Warren said tonight that belated returns straggling in today have in no way changed his conception of the outcome of the election as expressed last night, and he estimated the Democratic majority at 30,000, with a very light vote throughout the State. He was gratified today at news of a number of erstwhile Republican counties coming in to the Democratic column, these including Washington, Ashe, McDowell and Burke.

He has not attempted to get a line on the fate of the Constitutional amendments, but is of the opinion that the Tax amendment is certainly defeated and that it will take an official canvass of the returns to show the result of the others, there being a strong likelihood, he thinks, that all of them are defeated.

Democratic headquarters closed this afternoon, Secretary J. R. Collier leaving for his home and Chairman Warren to leave for New Bern tomorrow. He expects to be back in Raleigh within a few days to finish and settle up the affairs of the campaign.

Commissioner of Labor and Printing M. L. Shipman, today returned from the Tenth district where he went a week ago to assist in the campaign. Congressman Gudge's patronage troubles, the two bitter primary contests, the condition of the lumber business in the far western counties, the cotton situation in Rutherford and base misrepresentation of the Wilson administration generally, are the main causes which have contributed largely to his defeat, says Mr. Shipman.

Business depression was worked over time and pitiful stories were poured into the ears of the unemployed around manufacturing centers and in logging camps. He says hundreds of Democrats evidently failed to vote at all and have only themselves to blame for the loss of the district.

FARMVILLE HAS BIG FIRE.

Much Tobacco and Warehouse Property Destroyed.

New Bern, N. C., Nov. 9.—Information reaches here of a destructive fire at Farmville, Pitt county, 60 miles from New Bern, on the Norfolk-Southern railway, early tonight, warehouse property and tobacco valued at from half to three-quarters of a million dollars having been destroyed.

The fire originated in the Banner warehouse, destroying this one, the Planters' warehouse and the large storage warehouse of the American Tobacco Co., all of which were filled to overflowing with the weed after big breaks at the warehouses today. The loss is said to be only partially covered by insurance.

Early in the fire, the local fire fighting apparatus is said to have gone out of commission and the flames swept madly through the warehouse district of the town, destroying stables, a couple of fine houses belonging to the warehouse companies and Phipps' grocery store in the town proper. The origin of the fire is unknown.

HOOD'S MAJORITY 2,313.

Light Vote and Local Troubles Cause Reduced Majority.

Hon. George E. Hood, of Wayne County, has been elected Representative of the Third Congressional District in the Sixty-fourth Congress by a majority of 2,313, over B. H. Crumpler, of Sampson County, his Republican opponent, according to official returns.

DEMOCRATS HOLD MAJORITY IN BOTH WINGS

Two Districts in Colorado, One in New Jersey, Two in Kansas and One in North Carolina Are Yet Undecided.

New York, Nov. 4.—Latest returns from yesterday's election indicate that the Democratic majority in the House of Representatives for the 64th Congress will be reduced to 18. The probable Democratic majority in the Senate will be 14.

Democrats have elected 226 members, Republicans 192; Progressives 10; and Socialists 1. Of the six missing districts, it was estimated tonight that the Republicans and Democrats might elect three each.

Heaviest Republican gains were 13 in Illinois; 12 in New York; 10 in Pennsylvania, and nine in Ohio. Progressive representation in the House was cut from 19 to nine or ten.

Contests which were so close that they could not be definitely determined at a late hour tonight were in two districts in Colorado, one in New Jersey, two in Kansas and one in North Carolina.

In the sixth California district J. A. Elston, Progressive, led Geo. H. Derrick, Republican, by a slight margin. Democratic leaders claimed the election of H. H. Seldomridge and Edward Keating in the second and third Colorado districts. Representative William E. Tuttle, Jr., of the fifth New Jersey district, was in danger of losing his seat to John H. Capstick, Republican, but his supporters claimed his election.

Republicans claimed victory for W. A. Calderhead and John B. Dykes in the fifth and sixth Kansas districts and for J. J. Britt, in the tenth North Carolina district.

HEALTHY HAIR SOFT, FLUFFY AND RADIANT.

Beautiful hair does not just happen to be so, but is always a matter of care and proper nourishment of the hair roots. No matter if your hair is falling out, stringy, lifeless and full of dandruff, Parisian Sage, an inexpensive tonic, sold by all druggists, is all that is ever needed. It nourishes the hair roots and stimulates the growth of new hair. Even dandruff is entirely removed with one application, and itching scalp and falling hair cease; your hair will be bright, vigorous, soft and fluffy.

Whether your hair is oily, dry or brittle, Parisian Sage immediately removes the cause, and by toning up the scalp quickly restores the hair to its original brilliancy and vigor.

Parisian Sage can always be had from J. H. Hill & Son, and is a delightful and easily applied treatment that will never fail to act as a real and

SOME AMENDMENTS MAY HAVE CARRIED.

Estimating Majority Against Tax Measure at Only 10,000, Others May Have Squeezed Through. (Raleigh News & Observer.)

"I think that there is a pretty good chance for some of the amendments other than the tax amendment to have carried," remarked a gentleman who has been giving the returns from the counties some attention.

"I figure it out in this way. There are one hundred counties in the State. Let us concede that the tax amendment is defeated by a majority of ten thousand. Then suppose we calculate that the other amendments, one or all of them, ran over one hundred votes ahead of the tax amendment in each of the one hundred counties. If they did, they carried. That they did so is not at all an unreasonable assumption in view of the fight that was made on the tax amendment and the comparative absence of opposition to the rest of the proposed changes in the constitution."

TO USE THE CANAL.

Seven British Battleships En Route South.

New York, Nov. 9.—Seven British warships, apparently dreadnoughts, heading for the Panama canal and steaming at full speed, were sighted off the Bahama Islands last Friday by passengers on the United Fruit Line steamship Suriname, which arrived today from Santiago, Cuba. James Cavanaugh, one of the passengers, formerly a lieutenant in the British navy, expressed the opinion that the British fleet was bound for the Pacific coast of South America to avenge the defeat of the British fleet of cruisers by German ships.
