PROSPERITY'S RETURN.

The improved business situation, and especially improvement in the steel industry as compared with conditions a few weeks ago, is cheering to the whole country and accentuates the note of optimism which was heard just before the holidays.

A few prophets of good times were expecting the new era of prosperity to come with a rush. The more conservative and far seeing leaders of the business world, however, have been saying that there would be an improvement with the beginning of this year 1915, but that it was not reasonable to think there would be complete business recovery before the middle or the latter part of the year. Yet the steady progress that is now being made in many directions makes it safe to assume that in the industrial field, at least, conditions will become normal by spring.

Is a Powerful Influence in Blood

Works With a Definite Purpose and Is a Known Antidote.

There are some things in medicine that are certain and definite. They do the work. S. S. S. is one of these reliable and is a known antidote for all blood troubles. More than that, it is harmless, for it does not hurt the stomach, does not affect the bowels and joints, nor does it alter the integrity of the nerves and spine. But it does sweep through the blood, a powerful, searching, cleansing influence, remarkable for results and a tremendous relief to those who suffer the humiliation of skin eruptions.

Nearly all sickness is due to sluggish blood. And if you let S. S. S. bathe your system with its wonderful influence your nervous troubles, your waxy, faded, listless, lifeless body will revive and become so renewed with the sense of enjoyable health you will scarcely know yourself. Try S. S. S. today. Get a bottle at any drug store. It will put you on your feet; keep you going all day and enable you to sleep sound and restful. S. S. S. is not a "dose" nor a physic, but a fine, bracing, purifying medicine that is sure to do you a world of good.

It is just what you need. S. S. S. is prepared by The Swift Specific Co., 69 Swift Bldg., Atlanta, Ga., and if you are troubled with any stubborn blood disease their medical department will guide you safely to health. Write them.

A court has ruled that poor house-keeping is no excuse for divorce. Still, it's better than some excuses that are offered.

Soldiers in the trenches find that a dose of shrapnel is often a cure for rheumatism, as well as all the other ills that flesh is heir to.

The German Crown Prince has distributed pipes to his soldiers. But a pipe is not complete, in the eyes of a German, without a stein to go with it.

Although the Turk was expected to make a better showing this time, he seems to exhibit his usual susceptibility to defeat.

Excellent For Stomach Trouble.

"Chamberlain's Tablets are just fine for stomach trouble," writes Mrs. G. C. Dunn, Arnold, Pa. "I was bothered with this complaint for some time and frequently had bilious attacks. Chamberlain's Tablets afforded me great relief from the first, and since taking one bottle of them I feel like a different person." For sale by all dealers.
