A FAIR PROTEST.

The Philadelphia Daughters of the American Revolution protest against the Liberty Bell being taken to San Francisco for exhibition purposes.

There is some justification for their protest. Although patriotic American citizens who might be called on to transport the relic from Philadelphia to San Francisco would handle it with loving care and a high regard for its historic value, the trip is a long one and an accident might damage the bell, already badly cracked. It is hardly probable that it would be lost.

AFTER MANY YEARS.

G. L. Southern, Eau Claire, Wis. writes: "Years ago I wrote you in regard to great results I obtained from Foley Kidney Pills. After all these years I have never had a return of those terrible backaches or sleepless nights; I am permanently cured."

Having a Zeppelin hover over a naval engagement is the modern way of getting the "facts."

ABOUT WHOOPING COUGH

Mrs. T. Neureuer, Eau Claire, Wis. says: "Foley's Honey and Tar Compound cured my boy of a very severe attack of croup after other remedies had failed. Our milkman cured his children of whooping cough."

A Chicago policeman was promoted for shooting a "masher" who was trying to escape. Fair game!

Hundreds of health articles appear in newspapers and magazines, and in practically every one of them the importance of keeping the bowels regular is emphasized. A constipated condition invites disease.

The "scientist" who says the earthquake in Italy was caused by the war is evidently the "near" sort.

SEVENTY-SEVEN YEARS OLD.

George W. Clough, Prentiss, Miss. who had suffered greatly with kidney trouble, writes: "Foley Kidney Pills are the only remedy that ever did me any good at all."

A Chicago woman who claims to have had three crazy husbands should have her own mentality looked into.

Is a better cough syrup than Foley's Honey and Tar Compound could be found, we would carry it. We know this reliable and dependable medicine has given satisfaction for more than thirty years; therefore we never offer a substitute for the genuine.

but it is quite likely that the crack might be widened by a trip across the continent in a freight car. This is just what it is most desired to prevent. Not long ago the crack was reported to be getting wider and it was said that the bell would be supported on jacks.

The patriotic women of Philadelphia who are opposed to taking any further risk with the Liberty Bell have the indorsement of a great many people who think it should never be carried about the country again for exhibition purposes.

To the Rescue in Blood Diseases

Just the Help Needed to Overcome Worst Troubles.

In S. S. S., the famous blood purifier, is the greatest natural remedy known. It is an antidote for germs, that once it looses, multiply so fast that a definite disease is apparent over night. And yet so powerful is the influence of S. S. S. that like a vast army it spreads all through the blood, checks disease, opens up all the valves of escape and throws out disease through the lungs, kidneys, bladder, bowels and skin.

John D. Rockefeller, Jr., and "Mother" Jones had a talk and discovered that neither was as bad as painted.
