

LOCAL BRIEFS.

Mrs. E. M. L. Jeffreys is at home again, from her recent sad summons to South Carolina.

Mr. W. H. Pifer, of Russell, Ky., will arrive in the city tonight, to visit his sister Miss Eva Pifer.

Don't fail to attend the regular monthly meeting of the Goldsboro Chamber of Commerce tonight.

Miss Hazel Hunt, who has been teaching at Rich Square, has arrived home, to the pleasure of her many friends here.

Miss Kate Jeffreys, who has been taking a course in voice culture in New York, is at home for vacation, to the pleasure of all her young friends here.

Miss Nell Gwyn, of Elkin, who has been the charming guest of Miss Helen Crooch in this city, where she has so many admiring friends, has returned home.

The Young Peoples Missionary Society of St. Paul M. E. church will meet with Mrs. D. H. Dixon, at her home on George Street north this evening at 8 o'clock.

Several officers of Goldsboro's two military companies left this morning for Raleigh, to spend some days in special U. S. military tactics under a U. S. Army instructor.

Mrs. Jesse B. Hunt and children, who have been visiting Mr. Hunt's parents on South William street, have returned to their home in Boca Grande, Fla., accompanied by Miss Clare Hunt.

In all residential sections of our city, the painters are busy re-dressing many beautiful homes, which evidences Goldsboro's substantial prosperity, as well as emphasizing the fact that we've got The Best Town in the State.

Dr. W. E. Powell left today for Richmond, where he goes for special diagnosis and for hospital treatment if such be deemed needful. His hosts of friends in this city and section, where he has a wide practice, will wish him a safe ordeal and an early return home.

Friends are urging Constable Jack Fulghum to put in his application for the position of assistant chief of the city police. The selection of a man to fill this position will be made by the board of aldermen at their next meeting, and the selection of Mr. Fulghum to fill this position would be another step towards making our police force one of the best in the State.

Owing to delay in transportation the second episode of "The Master Key" will be presented at the Acme Theatre tomorrow instead of today. An excellent program of Universal pictures will be shown, however, featuring Mary Fuller, Matt Moore and Chas. Ogle in a three reel society drama, entitled "The Honor of the Ormsby's" and an L-Ko. comedy with Billy Ritchie.

of its Value**

"One of our salesmen demonstrated the value of the Long Distance Telephone to us. He was at Huntsville, Ala., and upon his own responsibility put in

Long Distance calls for fifteen merchants within a radius of several hundred miles.

"In less than one hour he had sold 2100 barrels of flour at a total cost to us of less than six dollars.

"Since then we have applied the Long Distance Bell Telephone to every feature of our business with most profitable results. The service is fine, the rates are reasonable and there is more satisfaction in one Long Distance Telephone talk than in half a dozen letters"

Prompt Pay, Fair Pay

Slow Pay, No Pay

How Will YOU Be Rated

As every man's credit record is of the utmost importance to him, we wish to give every citizen ample notice that they are being rated--prompt pay, fair pay, slow pay, and no pay, according to the way they pay their doctor, dentist, grocer, butcher, baker, coal man, rent man, milk man, and everyone who extends them credit. As this book is used by all business and professional men of Goldsboro and vicinity as their guide in extending credit, we trust you will find it to your best interest to call on anyone to whom you may owe money and pay up. If you can't pay all, pay as much as you can, so they can give you as good a rating as possible.
