Entered at the Postoffice in Goldsboro as second class mail matter.

Lillian Russell warns young women against trying to be "good fellows," and makes the warning doubly effective by saying that such "good fellowship" ruins the complexion.

Marconi has invented a way to see through a stone wall. Some way to go through a stone wall without damaging oneself or the wall would be helpful to amateur motorists.

THIRTY-SIX FOR 25 CENTS

Dr. King's New Life Pills are now supplied in well-corked glass bottles, containing 36 sugar coated white pills, for 25c. One pill with a glass of water before retiring is an average dose. Easy and pleasant to take. Effective and positive in results. Cheap and economical to use. Get a bottle to-day, take a dose to-night—your Constipation will be relieved in the morning, 36 for 25c., at all druggists.

An alarm has been invented to tell when it is raining through open windows at night. A person who sleeps by an open window gets the same information by waking up wet.

Restored to Good Health.

"I was sick for four years with stomach trouble," writes Mrs. Otto Gans, Zanesville, Ohio. "I lost weight and felt so weak that I almost gave up hope of being cured. A friend told me about Chamberlain's Tablets, and since using two bottles of them I have been a well woman." Obtainable everywhere.

The Jackies on board United States warships were said to have looked serious when they sailed away from New York. A navy that is strictly "dry" can be depended on to look serious at the proper time.

Greatly Benefited by Chamberlain's Liniment.

"I have used Chamberlain's Liniment for sprains, bruises and rheumatic pains, and the great benefit I have received justifies my recommending it in the highest terms," writes Mrs. Florence Slife, Wabash, Ind. If you are troubled with rheumatic pains you will certainly be pleased with the prompt relief which Chamberlain's Liniment affords. Obtainable everywhere.

At any rate, manufacturers of army goods in this country don't show favoritism. Certain firms are now accused of defrauding Uncle Sam on government contracts.

Only a Few Can Go.

Those who do not have to consider expense are now going to health resorts to get rid of impurities in the system that cause rheumatism, backache, aching joints and painful muscles. If you cannot go, yet feel that you need relief from pain and misery, get Foley Kidney Pills. They restore the kidneys to activity and make you feel well and strong. Sold everywhere.

The fellow in the movie show who laughs loudest at the picture in which a woman is chasing her husband around the house with a rolling pin is the same lad whose wife makes him go out in the back yard when he wants to smoke a cigarette.

To Sleep Well in Summer.

Slight inflammation of the bronchial tubes cause a distressing cough and makes sleep impossible. Foley's Honey and Tar Compound stops that annoying tickling and relieves the racking, tired cough. Good for all coughs, colds, croup and bronchial affections. Sold everywhere.

EQUAL SUFFRAGE FORESHADOWED.

Governor Carlson of Colorado is not only a forceful man, but he is original in ideas and in methods of handling men.

The other morning, according to a Denver newspaper, his secretary failed to show up in time at the office, and upon his tardy arrival showed unmistakable evidence of too much hilarity the night before.

The governor looked him over and then invited him into his private office. Inquisitive visitors in the outer office heard murmurs of expostulation, from which it was evident the governor was giving his secretary some fatherly advice.

Perhaps the young man did not take this in the right spirit, for, according to the Denver newspaper, sounds emanated from the inner sanctum which reminded them of the days when father used to say:

"Johnny, come out into the woodshed."

Shortly afterward the secretary emerged, looking as if he had had an encounter with a Kansas cyclone. Those who know Governor Carlson well say they do not doubt he administered an old-fashioned "spanking."

Mothers and wives have suspected that men are but little boys grown tall, but it is rare that a man recognizes the fact. Possibly Governor Carlson has inadvertently stumbled upon a reformatory measure that will revolutionize the whole system of correction.

It is easily foreseen, however, that masculine voters will never institute such an effective punishment—and if it ever becomes nation-wide, it will follow the acquiring of the ballot by the female of the species, who have known all along that some such method as employed by the governor of Colorado is necessary to persuade some men to the path of virtue.

Flush Your Blood Get it Cleansed

Remarkable Remedy That Works All Through Your Body.

When you put a tablespoonful of S. S. S. into your stomach it gets straight into your blood. In less than five minutes it has become a wave of purifying influence wherever the blood has circulated. Does this read like magic? But it is absolutely true. Those powerful digestive juices in the stomach can not change the medicinal effect of S. S. S. The liver can not burn it. The lungs, skin and kidneys excrete it only after S. S. S. has set in motion millions of cells and nerves to throw off the countless germs that have infested every part of the body. And as S. S. S. continues to battle those troublesome pests that gather in the form of pimples, boils, eczema, acne, catarrh, rheumatism and other so-called blood disorders, it rouses into action a myriad of strange but well-understood corpuscles called leucocytes that actually devour or change or convert disease germs so they are readily and quickly cast out of the body. It is probably the best appreciated blood medicine known. You will find S. S. S. on sale in nearly every drug store in the U. S. Get a bottle today. And if your case is peculiar, write to the Medical Department, The Swift Specific Co., 105 Swift Bldg., Atlanta, Ga. It is conducted by a noted physician.

A Mistake Made By Many.

When you suffer pains and aches by and sleep disturbing bladder weakness by night, feel tired, nervous and run down, the kidneys and bladder should be restored to healthy, strong and regular action. It is a mistake to postpone treatment. Foley Kidney Pills put the kidneys in sound, healthy condition and keep them active and strong. Sold Everywhere.

The Pullman porter may be underpaid by the company that employs him, but when he gets a quarter for "toting" a suitcase off a car he is overpaid.

NEURALGIA PAINS STOPPED

You don't need to suffer those agonizing nerve pains in the face, head, arm, shoulders, chest and back. Just apply a few drops of soothing Sloan's Liniment; lie quietly a few minutes. You will get such relief and comfort. Life and the world will look brighter. Get a bottle to-day. 3 ounces for 25c., at all Druggists. Penetrates without rubbing.

The "first line of defense" is our navy. The second line is presumably a citizen soldiery trained to arms.

Bilious Attacks.

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter. Obtainable everywhere.

Maybe the high cost of living wouldn't be so high if our neighbors were not chronic borrowers.

CONSTIPATION CURED OVERNIGHT

A small dose of Po-Do-Lax tonight and you enjoy a full, free, easy bowel movement in the morning. No gripping for Po-Do-Lax is Podophyllin (May Apple) without the gripe. Po-Do-Lax corrects the cause of constipation by arousing the liver, increasing the flow of bile. Bile is nature's antiseptic in the bowels. With proper amount of bile, digestion in bowels is perfect. No gas, no fermentation, no Constipation. Don't be sick, nervous, irritable. Get a bottle of Po-Do-Lax from your Druggist now and cure your Constipation overnight.

Maybe if the United States had lost one or more provinces to a hated foe, she would know how Italy and France feel.

Not For Men Only.

Women suffer as much as men do from indigestion and constipation and require the same scientific remedy to keep the stomach sweet, the liver active and the bowels regular. Foley Cathartic Tablets are wholesome and cleansing; do not grip or cause nausea. Stout people say this is the one cathartic that takes away that over-full and clogged-up feeling. Sold everywhere.

Prisoners robbed a Wisconsin jail. Probably one of these modern jails containing a great deal of costly furniture.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This is a remedy that every family should be provided with and especially during the summer months. Think of the pain and suffering that must be endured when medicine must be sent for or before relief can be obtained. This remedy is thoroughly reliable. Ask anyone who has used it. Obtainable everywhere.

Vesuvius seems to respect the feelings of the Italian populace to the extent of not entering into competition with them.

A Doctors Prescription for Cough

An Effective Cough Treatment
One-fourth to one teaspoonful of Dr. King's New Discovery, taken as needed will soothe and check Coughs, Colds and the more dangerous Bronchial and Lung Affections. You can't afford to take the risk of serious illness, when so cheap and simple a remedy as Dr. King's New Discovery is obtainable. Go to your Druggists to-day, get a bottle of Dr. King's New Discovery, start the treatment at once. You will be gratified for the relief and cure obtained.

Dr. Dernberg protests against the use of colored troops in the war, but seems to have a penchant for highly colored language.

To Preserve Your Health.

The kidneys are the great health headache, sore muscles, stiff joints come when the kidneys are out of order and fail to properly filter the blood. Foley Kidney Pills tone up tired and diseased kidneys, bladder, backache and stop sleep disturbing bladder troubles. Sold everywhere.

Don't neglect a summer cold. A bronchial cough causes broken sleep and lowers your vitality. Foley's Honey and Tar Compound soothes and heals raw, inflamed membranes, stops tickling in throat and clears stuffy, wheezy breathing. Contains no opiates; children like it; good for all colds, coughs, croup and bronchial affections. Sold everywhere.

All Babies Destined to Great Achievement

To be born is to be great. For there are possibilities in every tiny human infant. And for this reason every one should remember that whatever is done to aid the mother, to relieve her of distresses during her trying months, will surely be of marked benefit to the child.

Among the sterling aids is a splendid external remedy known as "Mother's Friend." It is what is called an embrocation. It is applied to the abdominal muscles, gently rubbed in by your own hand guided by your own mind. It makes the muscles pliant, they expand quite naturally and the effect upon the nerves is such that they adjust themselves to the process of expansion so that pain from this source is almost eliminated. Women who use "Mother's Friend" refer to the absence of morning sickness, they are relieved of a great many minor distresses, all apprehensions disappears and those peculiar nervous "fidgets" no longer disturb the nights. It is well named "Mother's Friend." Get a bottle today of any druggist. Then at once write for a most entertaining and instructive book for all prospective mothers. Address: Bradstreet, Regulator Co., 705 Lamar Bldg., Atlanta, Ga.

This book explains the physical action of "Mother's Friend," tells why it enforces strength to the muscles and relieves undue strain. It also contains letters of experience from many happy mothers. It is just such a handy little book as every woman will at once recognize as just what she had always wished to read—plain facts about herself. The book is mailed free to any address. Write for it today.

Told That There Was No Cure For Him.

"After suffering for over twenty years with indigestion and having some of the best doctors here tell me there was no cure for me, think it only right to tell you for the sake of other sufferers as well as your own satisfaction that a 25 cent bottle of Chamberlain's Tablets not only relieved me but cured me within two months although I am a man of 65 years," writes Jul. Grobien, Houston, Texas. Obtainable everywhere.

Had Lung Trouble and Expected to Die

The many recoveries brought about by Eckman's Alterative are attracting wide attention. Read about this case—
23 B St., Keyser, W. Va.
"Gentlemen—I was taken sick in November, 1908. I grew steadily worse. Had two consultations. The verdict was the fever had affected my lungs and that my case was hopeless; only gave me two months to live. My physician and I tried most all kinds of treatment and none did me any good, so he asked my husband if he objected to him trying Eckman's Alterative. I began your Alterative. I was in bed from November 30, 1908, until February 25, 1909, and was thought dying several times. Today I am healthier and stronger than ever." (Abbreviated.)

(Signed) MRS. H. K. BRILEY.

Looking around us we see many persons in middle life struggling along with poor vision, who might be enjoying normal sight today if they had consulted a competent Optometrist and worn glasses when there was yet time to preserve the sight. A defect in the sight is not as a rule a disease of the eye, so often it is a condition which the proper glasses will not only relieve, but many times entirely cure, sight is restored, eyes are made strong, headaches disappear, the nervous strain is relieved and the eyes are saved perhaps from blindness. Visit my office and learn more about correcting imperfect sight.
