A BITTER LESSON.

That ignorance is not always bliss is clearly brought out by the ridiculous plot that has been hatched by unlearned Mexicans, in which it was obviously intended to attack and subdue Americans in the border counties of Texas, and to annex that section to Mexico.

Such a proposition is too absurd to be believable, were there not substantiating evidence. And no better exemplification of the depths of ignorance in which the Mexican people live could well be imagined.

All the vast region to the north, east and west of the Rio Grande being utterly unknown to them, they would put their puny strength against one which they might succeed in getting into motion, but could no more stop than a child could stop the Niagara.

Such a plot would be simply laugh-

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Theodor's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theodor's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Theodor's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

None Equal to Chamberlain's.
"I have tried most all of the cough cures and find that there is none that equal Chamberlain's Cough Remedy. It has never failed to give me prompt relief," writes W. V. Harner, Montpelier, Ind. When you have a cold give this remedy a trial and see for yourself what a splendid medicine it is. Obtainable everywhere.

One expert predicts that there will be an alliance in the future between Germany and England. But first the "Song of Hate" will have to be forgotten.

able, were it not for the fact that human life is involved—and nothing lacks seriousness that means the shedding of blood.

Already a few Americans and a number of Mexicans have lost their lives in the raids of the Mexican outlaws, victims to the monumental ignorance of the people.

A little knowledge may be a dangerous thing, but in this instance it would save our neighbors a bitter lesson.

Though a backward nation, the Chinese show remarkable aptitude for graft.

General Villa appears to be as enthusiastically in favor of peace as he ever was for war.

There is a Russian fleet after all if we are to believe the Petrograd reports of the Gulf of Riga battle.

The Wall Street Journal rises up to remark that even a West Indian hurricane does not strike without warning.

Diplomatic relations sometimes are even more troublesome than the poor ones we hear berated so much.

Women in Paris are affecting soldier caps. Some women, it seems, would wear tall feathers of the dove of peace in an Easter bonnet.

If that Texas hurricane had only struck a little further southward it might have been a big asset for the watchful waiting policy.

France promises to start something in the west "before the leaves are red." When she does the leaves will be red all right, but not with tints of autumn.

Minnesota has decided that James J. Hill is her greatest living citizen. It seems up to Mr. Hill to reciprocate with a donation or something.

The ancient sybarite who spent \$35,000 for roses at one of his banquets, could not have afforded it if he had been backing a musical comedy at that time.

"I feel that I owe the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy a word of gratitude," writes Mrs. T. N. Witherall, Gowanus, N. Y. Biliousness and Constipation.
It is certainly surprising that any woman will endure the miserable feelings caused by biliousness and constipation, when relief is so easily had and at so little expense. Mrs. Chas. Peck, Gates, N. Y., writes: "About a year ago I used two bottles of Chamberlain's Tablets and they cured me of biliousness and constipation." Obtainable everywhere.

Worth Their Weight In Gold.
"I have used Chamberlain's Tablets and found them to be just as represented, a quick relief for headaches, dizzy spells and other symptoms denoting a torpid liver and a disordered condition of the digestive organs. They are worth their weight in gold," writes Miss Clara A. Driggs, Elba, N. Y. Obtainable everywhere.

The Next Best Thing to the Pine Forest

For Colds Is—
Dr. Bell's Pine-Tar-Honey which goes to the very root of cold troubles. It clears the throat and gives relief from that clogged and stuffed feeling. The pines have ever been the friend of man in driving away colds. Moreover, the pine-honey qualities are peculiarly effective in fighting children's colds. Remember that a cold broken at the start greatly removes the possibility of complications. 25c.

HEALTH AND HAPPINESS DEPEND UPON YOUR LIVER.

That sluggish liver with its sluggish flow of bile is what makes the world look so dark at times. Dr. King's New Life Pills go straight to the root of the difficulty by waking up the action of the liver and increasing the bile. Dr. King's New Life Pills cause the bowels to act more freely and drive away those "moody days." 25c a bottle.

A WONDERFUL ANTISEPTIC.

Germs and infection aggravate ailments and retard healing. Stop that infection at once. Kill the germs and get rid of the poisons. For this purpose a single application of Sloan's Liniment not only kills the pain but destroys the germs. This neutralizes infection and gives nature assistance by overcoming congestion and gives a chance for the free and normal flow of the blood. Sloan's Liniment is an emergency doctor and should be kept constantly on hand. 25c., 50c. The \$1.00 size contains six times as much as the 25c.

Every Home Needs a Faithful Cough and Cold Remedy.

When seasons change and colds appear—when you first detect a cold after sitting next to one who has sneezed, then it is that a tried and tested remedy should be faithfully used. "I never wrote a testimonial before, but I know positively that for myself and family, Dr. King's New Discovery is the best cough remedy we ever used and we have tried them all." 50c. and \$1.00.

Momentous Future In Woman's Mind

The expectant mother revolves in her mind all we understand by destiny. And it is of the utmost importance that her physical comfort be our first thought. There is a most splendid remedy for this purpose, known as "Mother's Friend." It is applied over the muscles of the stomach, gently rubbed in, and at once penetrates to relieve all strain on nerves, cords, ligaments and all parts involved. It makes the muscles so pliant that they expand naturally. And at the same time they are invigorated by the absence of harassing pains so apt to distress the mind. Whatever will add to the comfort of the expectant mother is a great and helpful influence since a calm and peaceful period must have a wonderfully beneficial impression upon the coming child. Get a bottle of "Mother's Friend" of any druggist and you will realize why so many women declare it to be the most helpful remedy they know of. Write today to Brunold & Regulator Co., 702 Lamar Bldg., Atlanta, Ga., for a splendid book of great interest and value to every expectant mother.

Among the letters of interest in this book one says, in part, "Seven years ago I suffered from Wednesday to Saturday and had to have instruments. This time I was sick only three hours. I want to tell all that I can not praise 'Mother's Friend' high enough for the good it did me, as I had an easy time and the baby was perfect. I will always speak a good word for it."

"After suffering for over twenty years with indigestion and having some of the best doctors here tell me there was no cure for me, think it only right to tell you for the sake of other sufferers as well as your own satisfaction that a 25 cent bottle of Chamberlain's Tablets not only relieved me but cured me within two months although I am a man of 65 years," writes Jul. Looking around us we see many persons in middle life struggling along with poor vision, who might be enjoying normal sight today if they had consulted a competent Optometrist and worn glasses when there was yet time to preserve the sight. A defect in the sight is not as a rule a disease of the eye, so often it is a condition which the proper glasses will not only relieve, but many times entirely cure, sight is restored, eyes are made strong, headaches disappear, the nervous strain is relieved and the eyes are saved perhaps from blindness. Visit my office and learn more about correcting imperfect sight.
