

## AS WE WERE SAYING

AS WE WERE SAYING... N... none. If singleness is bliss, it is folly to marry.

The more some people tell you the less you believe.

All work and no play often makes a dull sermon.

The smaller a man's mind is the longer it takes him to make it up.

Many a man would starve if he had nothing to live on but his reputation.

Two heads are better than one—especially if the other fellow is guessing tails.

If all a man's weak spots were visible you would imagine he had the measles.

The individual who hates mankind is generally a close student of his own nature.

It sometimes happens that after a man gets his price the law steps in and makes him give it back.

Actions usually speak louder than words. The wisp can't talk, but he has a forcible way of expressing himself that renders words superfluous.

Newspaper Man Recommends It. R. R. Wentworth of the St. James (Mo.) News, writes: "A severe cold settled in my lungs. I feared pneumonia. Foley's Honey and Tar straightened me up immediately. I recommend this genuine cough and lung medicine." Right now thousands of hay fever and asthma sufferers are thankful for this wonderful healing and soothing remedy. Sold everywhere.

Somebody ought to raise \$500 and get Bryan to speak at Plattsburg.

E. G. HUDSON'S STATEMENT. E. G. Hudson, merchant of Chamblee, Ga., says Foley Cathartic Tablets are the "best on earth" for a thorough cleansing movement of the bowels without the slightest inconvenience or sickening and no bad effects. They certainly do relieve indigestion or constipation quickly and live on the liver. They make you feel light, free and energetic. Sold everywhere.
